Lloyd George Says Italy Was Kept Informed and Fully Coincided With Views.

London, July 29.—Great Britain, France and Italy are in complete agreement regarding negotiations with the Russian soviet government, despite statements to the contrary made by sensational and inaccurate newspapers, declared Premier Lioyd George in the house of commons today in replying to questions concerning the Boulogne

conference.

Owing to the urgency of sending an answer to the soviet government concerning the proposed peace conference. Mr. Lloyd George said, it was impossible to secure the attendance of an Italian representative at Boulogne, but Italian representative at Boulogne, but Italian representative at Boulogne, but Italian was kept fully informed and entirely greed with the aliles.

The premier read the message despatched to the soviet government by Great Britain on behalf of the aliles. The message called attention to the fact that the soviet government had sent two messages which conflicted concerning participation of the allies in the proposed London peace conference. The first Russian message, the British communication pointed out, the British communication pointed out, seemed to reject such participation. while the last message appeared to agree to it.
