MILLAR ENTRY RUNS ONE, TWO IN CLASSIC KING'S PLATE RACE FANCIED HORSES NOT IN MONEY

Apart From King's Plate Well-Balanced Card Was Offered - Pari - Mutuels Did Big Trade—Kewessa at Long Odds in First,

The speculators were on hand early.
When the judges were posted, they started the battle with the iron men, and the steing season was thus officially opened. The most pleased man on the ground was Secretary Fraser. He had everything in seadness, and the weather and the attendance were rather above the standard. The more pleased the chances of a different horses, especially in the ite. The some had the temrity to it Waterloo from the selection, Sear was on almost every lip, and there the was no almost every lip, and there the was no hand the series of the search of of the s plate. The some had the temerity to omit Waterloo from the selection. Searram was on almost every lip, and there was the president on hand to see the races. He was particularly sweet an Smithfield, his Havre colt, one of the gamest-looking thorobreds at the track. Scratches were few up to the sixth and seventh, showing that the track was right. The scratches were: ht. The scratches were:

First—Shyness.
Third—Cliff Haven.
Sixth—Lingar, Garish, Beau Cheval, Seventh—Sarolta, Yorkville, Sleuth, berty Hall, Lady Snider. They passed for the first race at 2.30, i, after a delay at the six-furlong ite, were off in less than five minutes. The result was an upset, and leaders of avorites failed in the very first race of the meeting. The play was on the Da-vies pair, and Back Bay while Kewesse,

the meeting. The play was on the Davies pair and Back Bay while keweses, that proved the winner, was neglected on account of the unknown rider up.

Was Surprise.

Seven of the best sprinters at the track faced Starter Dade in the initial event and they were about three minutes lining up and were given a good send-off. Southern Maid, from the Davies stable, was first to show. She led her field to the turn out of the back stretch, where Back Bay, laying third, went to the outside and flew by the Davies sprinters. Back Bay led till half way up the stretch, where Billy Oliver's Kewessa, who was in third position most of the way, forged to the front and won in a driving; finish by half a length in front of Water Lady. Southern Mad stopped badly after going a half and finished in sixth position. Kewessa, was well fancled in the betting by many and paid her followers better than 7 to 1 to win. 1 to win.

Peter Sheridan's Back Bay and the Davies pair, Southern Maid and Knights Differ, had the largest following and went to the post about equal favorites.

A Driving Finish.

In the second race five juveniles faced the barrier, three of which were making their first appearance under colons. Greetings, carrying the colors of Lewis Garih, won by a head in a driving finish from Cincinnati. Cincinnati outbroke his field and ied by two lengths, followed by Greetings. Coming into the stretch schuttinger sat down on Greetings and in a long stretch drive lended the daughter of Glorifier—Glad Tidings home in front by a head. Greetings and Cincinnati were both at the southern tracks. Bill Simmons, from the stable of E. W. Moore, raced in third position all the way. The other two, Larkin and Billy Oliver, were very green and finished away back.

Came Up From Fourth.

Away back.

Came Up From Fourth.

T.J. Coleman's Tactics won the Minto Stakes by a short head in a driving finish from Luther. Johnny Walker's Bendel broke in front and led by a length for the first half, where Luther, who was lying second, raced into a two-length lead, which he held till well into the home stretch, followed by Glint. Tactics came from fourth position in the stretch and in a hard drive won the stake for the second time. Luther was about two lengths in front of Progressive, Tactics' stable mate, who finished third.

King Cash Cashed

King Cash Cashed.

There was lots of excitement in the Aintree Steeplechase, which was run over the new course. Six horses started and all finished the course. King Cash, owned by B. M. Weld, won by a length from Lewis Garth's Tom 'Horn. King Cash was kept off the early pace for the first turn of the field, and when. Woke called on him he went to the front and won by a length from Tom. Horn, who was a length ahead of Bryndown, who beat the tiring Promoter for third place. Tom Horn rah a good race and had he not borne out of racing to the water jump would probably have won. Dorothy Webb fenced well, but was used up forcing the early pace and tred badly in the last half. Decathlon, carrying the colors of Geo. M. Hendrie, and making his debut as a jumper, fenced well, but had no speed. King Cash Cashed.

R.C.Y.C. Members Marked the Day by Getting Crafts "Spick and Span"

The opening of the Royal Canadian Yacht Club gounds took place yesterday on Centre Island. The sloping lawns and the broad white verandahs presented a brilliant sight. To be nautical "everything was spick and span," and with the rose and tulip gardens, the latter in full bloom, gave the club, which is one of the largest and finest in the world, a most distinctive appearance. The opening was informal, the members all turning out to attend to the getting ready of their crafts.

The secretary, D. G. Brebner, said; "It is particularly gratifying to see so many members here, as quite a number will not take a very active part this summer, as they have relatives at the front." He stated that there was now one hundred and twenty on active service-forty-four in the first conkilled, wounded or missing.
