

SUNLIGHT LEAGUE GAMES ROYAL CANADIANS WON

Strathconas and Marlboros Played a Close Game, the Former Winning.

At Sunlight Park on Saturday the Royal Canadians easily defeated the I.C.B.U. and the Strathconas won from the Marlboros in a close game by a score of 7 to 6. The first game was too one-sided to be interesting, the champions having no difficulty in disposing of the Irishmen, as they could not manage to connect safely with McMullin's delivery. The Royals played their usual good game and ably supported Jack McMullin, who pitched a very clever game. The second game was easily the best played on the grounds this season, both teams putting up a grand article of ball, both in the field and with the stick. The Strathconas managed to get their hits in bunches, which accounts for their victory. The scores:—

HOME LACROSSE TEAMS WON SATURDAY GAMES

Tecumsehs Beat Brantford, 7 to 2, and St. Kitts Outscored Chips, 10 to 2.

The Tecumsehs beat Brantford Saturday at the island and thus keeps close to the leading. The Athletics' victory over the Chips was the easiest order. Thus the C. L. A. senior standing is now as follows:

Won.	Lost.	Pct.
St. Catharines	7	.575
Tecumsehs	5	.2
Brantford	3	.375
Chippewas	1	.143

Game Wednesday: Chippewas v. Tecumsehs at island.
Games next Saturday: Toronto at Brantford, St. Catharines at Tecumsehs.

Tecumsehs 7, Brantford 22.

Tecumsehs had little trouble in taking Brantford into camp at the island on Saturday afternoon, altho the score of 7 to 2 hardly represents the play. The stringed-stick artists from the town behind the dyke lost many chances to score in the second quarter thru a lot of wild passing. It was only in this period that the home team were all pressed.
It was Tecumseh from the start, Feller, the latest acquisition, beating out Hutton with a shot from close in in two minutes. A minute later, Murtin, the other new man, carried the sphere into the net, and again, in four minutes, Feller got busy and made the score 3 to 0.

Brantford started in to be aggressive in the second quarter, but it took Laderoute eight minutes to tally with a hot shot. It was all Brantford in the quarter, but Clark, playing a goal in fine form, and the erratic attempts at passing kept the score down. Whitehead missed an easy chance to tally when he failed to gather in a lob in front of the net, with no one to check him.

The Tecumsehs took the game securely in hand, when Murtin opened up the third period by bulging the net in two minutes. Querie made it a run-away race by adding one more in seven minutes, while Adamson rubbed it in still further with another counter inside of three minutes. Brantford had apparently lost heart, and the defence could do little to stave off the attacks, altho the home team didn't look to be working hard at any stage.

Whitehead scored for the visitors in eight minutes, in the last period, but Durkin's hard bouncer got past Hutton in four minutes, and the score was 7 to 2. The rest of the quarter was slow, Tecumsehs playing the safe block game, but not resorting to the rag article of play.

The game thruout was one of the cleanest ever seen at the island. There were no mixups, and the penalties handed out were of the minor sort, and never went beyond five minutes. Feller, Stewart, McHenry and Taylor had resting spells. Referee F. C. Waghorne had little to do, and his rulings were always satisfactory. J. Johnston, Toronto, and D. A. McLean, Brantford, were timekeepers.

The crowd was one of the largest of the season, there being about 5000 present. The teams were:
Tecumsehs (7): Goal, Clark; point, Grimes; cover, Griffith; 1st defence, McHenry; 2nd, Stewart; 3rd, White; centre, Feller; 4th, McHenry; 5th, Murtin; 6th, Durkin; 7th, Adamson; 8th, Johnston; 9th, Johnston; 10th, Johnston.
Brantford (2): Goal, Hutton; point, Dowling; cover, Davidson; 1st defence, Brown; 2nd, Adams; 3rd, Degani; centre, Taylor; home field, Laderoute; Whitehead; Brantford had to go off in the first couple of minutes' play with a sprained knee, McMullin going off to even up.

St. Kitts 10, Chippewas 2.

St. Catharines, July 15.—The lacrosse match here today resulted in a win for the locals by 10 to 2. The attendance was large, but the play was somewhat listless, and towards the end the crowd got tired. The first goal was scored by the visitors, and the first quarter ended a tie—one all. In the second the Athletics netted 3 and in the third 5, making it 9 to 1. In the last period each team scored 1. Brown Jackson was referee, and passed out only three penalties. The teams were:

Chippewas (2): Robinson, Pitcher, Scott, Hamburg, Roach, Bond, McKenzie, Ross, Kearns, Donaldson, O'Connor, Yeaman.
Athletics (10): Hess, Harris, Cameron, Elliott, Richardson, Downey, Forrester, Barnett, O'Gorman, Lowe, Kalls, Hagan.

Hanover Beat Durham.

Durham, July 15.—The Hanover Club in district No. 1, Junior C.L.A., won a hard-fought game from the Durham team here today in extra time by 3 to 2, scoring in the second and third quarters, and altho the Durhams kept the sphere in close proximity to Hanover's goal most of the extra time, they succeeded in scoring the last and winning shot. The Durhams looked like winners, scoring 2 in the first quarter and only in the third quarter did they show any lagging. In the last game they had decidedly the advantage and made persistent and determined assaults on their opponents' goal, but failed to find the net. It was in this quarter that C. Lavelle, their goal-keeper, received a hot one in the stomach, retiring him for the balance of the game, which was doubtfully aided the visitors in their victory. The game was clean and fast. Thompson Allen of Mount Forest kept his men well in hand.

ZORAYA WON ON SATURDAY TEMERARIE FINISHED SECOND

Royal Canadian Yacht Club Boats Raced Around the Island.

The Royal Canadian Yacht Club 30-foot class race around the island on Saturday resulted in a victory for the Zoraya.
The Temerarie was second and the Beaver did not finish. The start was at 3 o'clock. The Zoraya finished at 6 o'clock and the Temerarie 15 minutes later.
The Temerarie made a mistake at the first buoy and headed for going round the island first instead of going round the bay. By this she lost about 3 minutes.

CRICKET GAMES ON SATURDAY.

T. J. Crawford Gave Bride Away.

A pretty house wedding took place on Tuesday, July 11, at 124 Carlton street, the home of Mrs. John Allison, when her daughter, Louise, was married to Earl H. Storms of this city. The bride was extremely private. The bride was given away by Thomas J. Crawford, Her sister, Gladys, was bridesmaid. A. J. Angus of Hamilton was best man. The ceremony was performed by Rev. Dr. Wilkinson of St. Peter's.

Decorations of Graves.

Bowmanville, July 15.—(Special.)—Over a thousand people were present at the union decoration services at Bowmanville Cemetery, which looked very beautiful with its well-kept grounds and beautiful flowers. The fraternal societies marched in procession, headed by the Durham Rubber Company band, and held a short service at the entrance before proceeding to decorate the graves of the deceased members. Among the ministers present were Rev. W. J. Cadman, Rev. L. S. Wright, Rev. W. E. Carroll, Rev. V. H. Emory and Rev. Hugh Munroe, the last three conducting the service. The afternoon was observed as a half holiday, and the people generally took this opportunity of showing respect for their loved dead.

Busy Day on Waterfront.

Every boat that went toward Hamilton yesterday carried old boys of that city of every age to their home town. It was a record day for old boys going to that port.
The Argyle took the employees of the Jones Manufacturing Company, and the Furriers' Union to Oshawa.
The Garden City had a big crowd from the Lithographers' Association.
The Niagara Navigation Company also had an excursion of the Chalmers Presbyterian Choir, the Cobban Manufacturing Company and The Stratford Beacon.

After the Heart Has Stopped Beating.

From Leslie's Monthly Magazine.
The restoration of life after the heart has actually stopped beating is another miracle of modern surgery, the claim cannot be made that this accomplishment is of much general value. In cases where the patient has collapsed while under an anesthetic, the chest has been hastily opened, a hand thrust in the stern, heart grasped and manipulated, and circulation thus artificially kept up till life flutters slowly back.

THEY TELL IT TO FLEMING.

His Genial Smile and Glad Hand a Balm for Troubles.

An irate citizen broached Manager Fleming fearlessly at the King and Yonge corner, and proceeded to hand out carloads of comment of a most uncomplimentary nature regarding the street railway company's consideration for its patrons. The citizen, with numerous others, had been a passenger on a West King-street car, going to Parkdale the night before, but when the car reached Spadina-avenue the passengers were told to get off and wait for the next car. Much argument ensued and the passengers refused to get off the car, which turned round and took them back again until the next car was met. The man who was complaining had had warm words with the company's employees, who had not accepted his protests as patiently as the general manager did.
Mr. Fleming listened to the citizen's threats of litigation and expressed deep regret. Until he had investigated the whole circumstances, he would not condemn the company. The manager injected a few cheerful views into the complainant, and the citizen left after promising that he would never do it again.

Most of the men, women and children and some of the horses and dogs know the general manager of the street railway company. The famous glad hand is ever busy, and the soothing "It is a woman has a row over short change or a missed stop, she tells the conductor she will see about it. She knows Mr. Fleming will, etc. Very kind to the general manager with their complaints. They meet him on the street and tell him all about it, and he promises it personal attention, which, by the way, it gets. Mr. Fleming generally sympathizes with them and tells them how much better it is now than it used to be.

The kicks did come pretty thick for a while, but they are narrowing down to an average of about half a dozen a day now," laughed the manager, when The World asked him about it.

GET IT AT \$13.50 HORSE POWER.

U.S. Manufacturers Favored in Prices for Niagara Power.

Niagara Falls, July 15.—(Special.)—The Ontario Power Company, controlled by J. J. Albright of Buffalo, is carrying its cables across the river six and a half miles below the power house. Three aluminum cables are already stretched. The power will reach the American side just below the Catholic University.
The company has the privilege of exporting 30,000 horse power to the States. An expert informed The World that it has contracted to supply the current to United States manufacturers for \$13.50 per horse power. The transmission line to the point where it crosses the river is 15 miles from the power house. The right of way takes a wide sweep from the river. People expect to see gigantic industries established on both sides of the river where the cables cross.

The Last of the Jesuits.

The building of the temple stopped suddenly at the death of Jesuit the First. The empty shell has stood ever since on Chatham Hill, a bleak, wind-swept, roofless monument of Jesuit's false step.
A part of the ground floor is fitted up as a baking establishment. A sign-board outside is inscribed: "Jesuit, Wholesale Grocery and Provision Merchant." This is the last of the Jesuits. Me is really Mr. Rogers, the father of Queen Esther, who took up the prophethip after his daughter's death.

THE TEMPLE OF JEZREEL TO BE SOLD AS A FACTORY

Last Audience of Remarkable Religion Originated by Retired Soldier.

The staunch few who still cling to the faith of Jezreel have been reduced to silent despair by the announcement that the unfinished tower, the ark and temple of the New and Latter House of Israel, is shortly to pass into the hands of the Gentile, to be converted into a factory, says The London Express.
This remarkable tower, which stands on the summit of Chatham Hill, and can be seen for many miles around, is inseparably connected with one of the most daring of the many various religions which have grown up in this country.
About thirty years ago a private soldier named James White bought his discharge from the army, and proclaimed himself the founder and prophet of the New and Latter House of Israel, calling himself "James Jereshom Jezreel." He claimed that he had received from heaven, thru an intermediary at Jerusalem, a document of Divine origin, which he called "The Flying Roll."

Apparently the Flying Roll was not intended to be delivered to the Gentile in its entirety, as Jezreel employed a man named Joseph Head to make extracts from it, which presumably came within the grasp of the common understanding. The extracts are still published and sold in book form on Chatham Hill by the followers of the present Jezreel.

With the exception of Jezreel the First and Head, no one has ever seen the Flying Roll. Head says in his preface: "The originals are in my safe keeping, I having recently received them from Jerusalem."

Long-Haired Followers.

Jezreel established himself a Chatham Hill, and soon gathered hundreds of credulous followers who, as prescribed by their faith, allowed their hair to grow long.
He started a little colony with a few farms and workshops. He soon compiled a considerable fortune, married a beautiful Chatham girl named Esther Rogers, and lived almost as luxuriously as the prophet David.

Twenty years ago he started building the temple, which was called "Israel's Sanctuary, Assembly Rooms, and Headquarters." It was built to accommodate 5000 people, and Jezreel declared that it would save the elect at the destruction of the world, whether by fire or water. The Flying Roll stated that the number to be saved from this world would amount to 144,000. Neither Jezreel nor the Roll made it clear where the remaining 138,000 were to be accommodated.

Jezreel, however, made one mistake. He said he would live for ever. But he died, and the New and Latter House would have received a grievous setback, had it not been for the promptitude of Mrs. Jezreel, who said that, after all, she was the real prophet. She proclaimed herself Queen Esther, and managed to keep the disciples together for three years. Then she also died.

The Last of the Jezreels.
