

Improvement of Haszard's Gazette.

TWICE A WEEK!

IMPORTANT TO TOWN AND COUNTRY SUBSCRIBERS.

The management of the Newspaper which, for the last 30 years, has been successfully conducted by J. D. HASZARD, Esq., is now transferred to the Subscriber, who will assume all the responsibilities thereof after the publication of the present number.

The circulation of *Haszard's Gazette* is, at present, and has always been, greater than that of any other newspaper in this Colony; and, availing himself of some of the greatest recent improvements which have been made in the art and machinery of the Printer, its new proprietor and publisher hopes he shall be able still to secure for it the first place in the public estimation.

To this end, he has, at a considerable outlay, purchased a POWER PRESS; and, on his premises, made the alterations and additions which were requisite for its proper erection. About the beginning of February, he expects to have it in perfect working order; and—that being accomplished—he will, afterwards, issue *Haszard's Gazette TWICE a week*, of the same size as that at which it is at present published, and, to *Subscribers*, at the same price. The advantages which, from this liberal arrangement, will accrue to *Subscribers* and *Advertisers*, are so apparent, that they require no comment, and a due appreciation of it, by the public, will, it is hoped, appear in the increased patronage bestowed upon the Paper.

The Editorial Department will be entrusted to the management of a gentleman, whose ability and experience as a writer for the newspaper press, combined with the liberality and moderation of his political sentiments, are such as to afford a good guarantee for the future utility and popularity of the Paper.

By copious extracts from ENGLISH PAPERS; by approved and well-written TALES; by articles on AGRICULTURE and GARDENING, so timed as to have direct relation to the immediate objects of the farmer's skill and labor; by MORAL and RELIGIOUS matter, free from sectarian bias; and by comprehensive notices of Social and Political Reforms, now happily in progress amongst all the civilized nations of the earth, there will always be manifest in the management of HASZARD'S GAZETTE, an earnest desire to provide valuable and acceptable instruction and entertainment for all classes amongst its readers.

For the transmission of IMPORTANT NEWS, by means of the ELECTRIC TELEGRAPH, the subscriber has also made arrangements with CORRESPONDENTS in Halifax, St. John, and Boston.

Communications directly bearing on the general interests and well-being of the community, will always be thankfully received.

GEORGE T. HASZARD.
