REMARKABLY FINE
IMPERIAL PICTURES

Tonight, Tomorrow and Next
Week; Large Crowds Delighted

"Borrowed plumage," the Triangle story at the Imperial, created a veritable furore of pleasure yesterday, springing what might be termed an absolute surprise. The title of the yarn did not suggest such an unusual plot. Bessie Barricade as a kitchen slave in an Irish castle in the Georgian days, when Paul Jones, the Yankee pirate, roved the seas, hints at the story, which was most charming. The Imperial's orchestra outdid itself in "cueing" the film.

Tomorrow and Saturday, beside the Bushman-Byrne serial story, "The Great Secret," the Vitagraph Co. will offer one of their pretentious Blue Ribbon features, "The Message of the Mouse." Anita Stewart, L. Rogers Lytton, Julia Swayze Gordon and Miss Stewart's recently affianced husband, Rudolph Cameron, will play the leads.

Food Controller
Much Ridiculed

"Seems To Be a Joke," Said
Father Donnelly At Montreal Meeting

Ex-Ald. Gallery Believes Law
Should Prevent "Food Barons"
Buying Crops in Advance

(Montreal Gazette.)
There was no two-sided opinion as to how the Canadian food controller stands in the opinion of the gathering at St. Joseph school, St. Martin street, last night at another of ex-Ald. Donnelly's "down with the food trust" meetings. The Rev. Father Donnelly, parish priest of St. Ann's, and the Rev. W. W. MacCuaig, "Food pirates" and "knights of profiteers" were common expressions that were heartily cheered. Mr. Gallery, after reviewing the rise in prices of some food necessities since 1910, and referring to the "monsters" which food companies have been cutting of late, believed that there should be a federal law to prevent the buying of crops in advance. Agents of the food monopolists went through the country buying the eggs before they were laid, and so on, and consequently when eggs should be cheap they were very high instead as they were all "cornered." It was for this reason that men became rich, and woke up to find themselves knighted for patriotism. One of the results was the infant mortality rate. A food controller was not needed to tell the people to eat less, the prices took care of that. A committee had been appointed to interview Hon. Mr. Hanna.

There are four other good vaudeville acts on the programme also, and Billie Burke in the seventeenth chapter of the serial comedy drama, "Gloria's Romance."

Nineteen men were accepted yesterday. The Fifth Royal Highlanders of Montreal, with their pipes and brass band are campaigning in this regard.

WAR NOTES

Nickola Levine, Russian extremist, is said to be in Petrograd.

Sweden may have a coalition government.

The Russian committee of five in temporary control of the government determined that the premier and General Yermakov shall appear before the democratic congress today.

Captain Guyrener's last fight occurred some four or five miles inside the German lines northeast of Ypres and opposite the British lines. All that can be said officially is that he is "missing."

"You have no ambition," complained his wife.

"Not now," he replied indolently.

"You never did have any."

"Oh, yes, I did; but I achieved my ambition when I acquired a rich father-in-law."

Fashion Parade
Again Tonight

Far beyond the most sanguine expectations of the management was the success of the fashion parade at the store of F. Dykeman & Co. last night, held under the auspices of the Y. W. P. A. Hundreds were turned away, and an earnest desire is made that all desiring of attending tonight be on hand early, as the parade will start at 8.15 sharp.

New dresses and features will be shown tonight, so the parade will be an entirely new one from that of last night. A special feature will be a great wedding—bride, bridesmaid and flower girl outfits.

The millinery used in the displays is from the Marr Millinery Co.

HOCKEY PLAYERS WILL
NOT ACCEPT CUT-OR
TAKE OVER FRANCHISE

Ottawa, Sept. 27.—The outlook for professional hockey in the capital is still very blue. Officers of the Ottawa Club had interviews this week with the players. It was suggested that the players go in under a co-operative basis, or that they themselves take over the franchise and exercise it, also assuming the obligations covering the deficit which the Ottawa's had last year. None would agree to these suggestions, nor would they agree to accept greatly reduced salaries.

Consequently, one of the Ottawa officials said yesterday that he was in favor of suspending operations until after the war. This decision is said to have been unanimous.

ATTEMPT AT BANK
ROBBERY IN QUEBEC

Quebec, Sept. 27.—Another daring robbery, with nitro glycerine and dynamite used in the city yesterday afternoon. An attempt was made last night to blow up the Baitson branch of the Quebec Bank. There were five men in a gang of robbers who were frightened away by A. Baribeault, who lives in front of the bank.

BRIDE FORMERLY OF ST. JOHN

The home of Mr. and Mrs. R. P. Stephenson, 288 Upland road, Cambridge, Mass., formerly of St. John, was the scene of a pretty wedding Wednesday evening, September 18, when their daughter, Alice Bernice, was married to George T. Thos. J. Bemis, also of Cambridge, Rev. Cortland Myers, D.D., pastor of Tremont Temple officiated, during the double ring service. The bride was given in marriage by her father. She wore a handsome gown of white satin trimmed with pearl trimmings and veil caught with orange blossoms and carried a bouquet of white roses. The bride's maid was Miss Helen White, who acted as bridesmaid. She wore turquoise blue tulle over satin of the same shade with white trimmings, and she carried pink roses.

C. E. Blanchard, of Exbridge, Mass., was groomsmen. The house was prettily trimmed with palms, hydrangeas and cut flowers. The presents were many and beautiful. The groom's gift to the bride was a diamond and pearl pendant. Mr. and Mrs. Bemis left by train for a trip through New York state, followed by the good wishes of a host of friends. They will be at home to their friends after November 1 at 408 Walden street, Cambridge. The bride's travelling dress was of blue broadcloth.

SUCCESSFUL SALE

Through the generosity of many of the friends of the work, a sale at Little Lepraux held on the evening of the 21st of September, was a great success. A great social and financial success. Miss Tot Taylor, of Lepraux, was the winner of a reversible quilt made by the ladies of the circle. A Corsican of Mac's Bay was the prize winner in a bean-curd contest. O. Hanson won a gramophone donated for soldiers by the benefit of the S. C. A. The handsome house was in charge of Mrs. E. B. Hanson. The fish pond sale of tickets for quilt and brass lamp was ably managed by Miss Ella Fairweather.

The important nature of the refreshments was ably handled by the united efforts of Mrs. Harvey Hope, Mrs. A. M. Brown, the enthusiastic work of Mrs. L. Boyne and her family contributed largely to the fine attendance and hearty cooperation of all the participants. A hearty vote of thanks was tendered to T. Mawhinney, who made a brilliant success of the auction. Mrs. Oscar Hanson is secretary of this circle. Proceeds of the sale totalled \$227, for the S.C.A.

SILVER IS CHEAPER

New York, Sept. 27.—With a drop of two cents an ounce in the price yesterday of bar silver, and five cents today the steady upward movement in the metal has been checked for the first time in many months. Early in the week bar silver reached the record price of \$1.06 1/2 an ounce. The explanation was that the extraordinarily high price induced a falling off in demand and selling. Today's quotation was 10 1/2.

MORE MONEY FOR MINISTERS

(Continued from page 1.)
The seminars across the line however, have furnished some most efficient helpers. Colgate leads with three; Newton, two; Crozer, Louisville and Bible School Park, one each.

The treasurer's report shows total receipts for the year \$8,686.89. After subtracting the expenditures, there was a balance of \$2,108.21. The officers on the board are:—R. S. Wallace, chairman; Rev. F. R. Hayward, recording secretary; Rev. J. Jenner, treasurer; Rev. J. P. Gaoung, superintendent.

Rev. Dr. Heine of West St. John spoke on the lack of missionaries for the church this year as a result of the enlistment of divinity students.

Rev. C. P. Wilson spoke on the great advance of the Baptist church in Northumberland and in Newcastle. He said affairs were never better in the province.

Ministers' Salaries.
Dr. C. Clark spoke in a feeling manner on the suffering of clergy men trying to get along on mere pittance of \$300 or \$400. With prices so high as they were, they were trying to get what they call in the collection and the rest in the sweat and blood. In spite of all this he said, there had never been more money to the church, and unless people believe that the more money they give to God the more they would have to give, this would not be done.

When Mr. Clark had finished, Rev. Dr. J. W. Brown of Middle Sackville, suggested that a committee be formed to frame a recommendation to the association fixing a minimum salary for the clergy of \$900. J. B. MacDonald of Sussex also spoke in this connection.

J. E. Wilson, secretary of the committee on nominations, reported the following standing committees:—

Advisory (1)—L. A. Fenwick, J. S. McFadden, W. H. Johnston, R. B. Hagerman, J. F. Sanderson.

(2)—C. O. Warren, E. Baras, J. Ainsworth, J. W. Spence, H. T. Brown.

(3)—J. E. Goslin, H. E. DeWolf, R. T. Colpitts, A. H. Patterson, A. H. Chipman.
