LOWER CANADA EDUCATIONAL ALMANAC FOR 1864.

| JANUARY. | | FEBRUARY. | | | MARCH. | | APRIL. | |
|---|---|---|---|--|---|--|--|--|
| This month takes its name from the god Janus, to whom it was devoted. Retired teachers must make their demands for pension between the 1st of this month and the 1st of April. | | February, <i>Februarius</i> , from <i>Februa</i> , name of the sacrifices which took place during this month, was the last month of the year during the earlier ages of Rome, but the <i>Decemvirs</i> placed it next to January. | | g So name | So named because Romulus had dedicated it to Mars; it was the first month of the Romulean year. | | April, Aprilis, derived from the word aperire, to open, because, in this month, the carth seems to open itself for new products. | |
