CALORIC HEAT MOST SANITARY

The Caloric Pipeless Furnace heats by natural circulation of air. All the

air in the house passes through the

Caloric about once every hour. The

result is all germs are killed in the

intense heat of 300 to 800 degrees.

Caloric heat is worth more than its

cost in health protection. Over 100-

000 satisfied users. Get a Caloric Now

UP-STAIRS

Bread

means

food

economy

Bread is Biggest Food Value—

You don't have to be a sedate, old housekeeper to grasp

the truth—

Bread is your Best Food—

Eat more of it

Children instinctively love and prize Bread for its delicious,

full-flavored sweetness.

Older folks prize it even more for its wholesome nutri-

tiousness, and the fact that it agrees with everyone, and with

other foods as well.

Eat more Bread—combine Bread freely with other foods,

and you'll enjoy richer, more tempting meals at much reduced

cost. All thrifty Canadians are now asked to eat Bread.

BUTTER-NUT BREAD

—is Best of all Breads, just as Bread

is Best of all foods. Ask your grocer.
