#### BOWLING

##### Y. M. C. I. League

The Hawks swooped down on the Eagles last night and captured the first point by thirty-nine pins. With Hansen and Downing in the century class and closely followed by Power with ninety-six, the Hawks rolled their best total for this season. With the exception of Coughlan, who rolled 104, the Birds of Prey appeared to be moulting.

Man shall be educated for life and for the world. And this is the only way to achieve it. The only way to achieve it is by the study of the classics. The only way to achieve it is by the study of the classics. The only way to achieve it is by the study of the classics.

The second string found the Eagles back in the game and rolled close to a 1,500 pace. Riley was the star of the occasion. His string of 123 is the record to date for the league. The Eagles won this point by fifty-nine pins. Murray with 105 and Coughlan and Mader in the ninety class, gave their anchor splendid support. For the Hawks Hansen and Downing both kept up their good work and landed in the nineties.

The Hawks started out strong in the third string in an attempt to win back the twenty-nine pins lead and at the end of the fourth box they had a lead of thirty-four pins. This lead they increased in the fifth and sixth and then the Eagles got busy with some well played spares, but they were not plentiful or fat enough to wipe out the lead and the Hawks won out by twenty-seven pins giving them, as well, the point for pin fall by seven pins.

The game was witnessed by quite a number of the fair sex, who braved the smoky atmosphere to see some good bowling.

In the Y. M. C. I. league, last night, the Hawks took three points from the Eagles.
