Roll Jelly Cake

Beat three eggs until very light, add one cupful of sugar. Sift one cup of flour three times with quarter teaspoon of salt and one teaspoon of baking powder. Add half cup of milk and one tablespoon of melted lard to egg and sugar. Stir in flour mixture. Grate a little lemon peel and beat all together thoroughly. Grease pan with lard, line with oil paper, Allow paper to come above top of pan to be of service in lifting cake fifteen minutes. Remove from pan.

Spread with jelly or jam, and with the oil paper begin to roll, taking paper from bottom of cake, as you roll. You must work quickly for if edges cool they become crisp and crack. When all rolled put paper around and twist ends to keep in shape.

For four years the matter has been nder close consideration, and this pring unable to wait longer the students student building movement deserves to meet with success. Dalhousie's representatives in this matter, Messrs. Graham and Leslie, arrived in the city this morning to inaugurate the campaign here. Their task is a big one and deserves success.

RECENT WEDDINGS A very pretty nuptial event took place last evening at the home of Mr. and Mrs. James H. O'Dell, 45 Rock street, when their only daughter, Bessie May, was united in marriage to Frederick Earl Townshend, eldest son of Mr. and Mrs. C. H. Townshend. The bride was becomingly attired in a travelling suit of navy blue with hat to match and carried a bouquet of sunburst roses and swansonias. After the ceremony the bridal party left by boat for a houeymoon trip to the United States. There were many gifts received among which were a set of knives and forks from the staff of the C. H. Townshend Plano Co., where the groom is employed.

There are lots of people today who exhaust all their energy every time they "blow their whistle."

The trouble is, they have no reserve to carry them through the average duties of every-day life.

Human strength and energy are obtained from food. And it is plain that it must contain the vitalizing elements which the system can take up and store as reserve power for occasions, lot only ordinary, but extraordinary.

Caillaux on the Stand.

Paris, July 21—Joseph Caillaux held the court for two intense hours today, testifying in defence of his wife, who sat in the prisoner's enclosure, charged with the killing of Gaston Calmette, editor of the Figaro, on March 16 last. The appearance of M. Caillaux was hardly less dramtic than that of Mme. Caillaux yesterday.

For Years, Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Canadian women are continually writ-ng us such letters as the two following, which are heartfelt expressions of grati-ude for restored health:

Chesterville, Ont. — "I heard your nedicines highly praised, and a year ago began taking them for falling of womb and overien trouble.

I began taking them for falling of womb and ovarian trouble.

"My left side pained me all the time and just before my periods which were irregular and painful it would be worse. To sit down caused me pain and suffering and I would be so nervous sometimes that I could not bear to see any one or hear any one speak. Little specks would float before my eyes and I was always constipated.

"I cannot say too much for Lydia E. Pinkham's Vegetable Compound and Liver Pills, for there are no medicines like them. I have taken them and I recommend them to all women. You may publish this testimonial."—Mrs. STEPHEN J. MARTIN, Chesterville, Ontaria
