Bakery Business For Sale

We have had placed with us for immediate sale one of the best established bread and cake businesses in the city, together with the good will and equipment, consisting of dough mixer, bake pans, proving cupboard, showcases, cash register, safe, etc.

Some idea can be obtained of the extent of the business from the fact that from thirty to sixty barrels of flour per week are used. A business opportunity seldom offered to one with moderate capital, as the owner is making a great sacrifice for quick disposal. A well established business in one of the principal thoroughfares, and with a local connection in that line unequalled. The books are open for inspection to bona-fide purchasers. Reason for selling, ill-health.
