MORNING NEWS OVER THE WIRE

Valuable aluminum and possibly tin areas are reported discovered at Burnt Hill, near New Brunswick, N. B., by Samuel Pease-Albany Bourque, of Cox Creek, lost a team of horses at Moncton yesterday. The animals, hatched over the embankment of the river and were drowned. They were valued at about \$400.

Digby, N. S., Nov. 24 (Special).—In the report of the recent by-election today, E. A. Wall lost two votes, making his majority over Van Blarcom 226.

One ounce of butter and one-half ounce of flour is used to thicken one cup of liquid in making sauce.

LET YOUR STOMACH HAVE ITS OWN WAY

Do Not Try to Drive and Force it to Work When it is Not Able or You Will Suffer All the More.

You cannot treat your stomach as some men treat a balky horse; force, drive or even starve it into doing work which it rebels. The stomach is a patient and faithful servant and will stand much abuse and ill-treatment before it "rebels," but when it does you had better go slow with it and not attempt to make it work. Some people have the mistaken idea that they can make their stomachs work by starving themselves. They might cure the stomach that way, but it would take so long that they would have no use for a stomach when they get through. The sensible way out of the difficulty is to let the stomach rest if it wants to and employ a substitute to do its work.

Stuart's Dyspepsia Tablets will do the work of your stomach for you and digest your food for you. You can prove this by putting your food in a glass jar with one of the tablets and sufficient water and you will see the food digested in just the same time as the tablets would do it. That will satisfy your mind. Now to take both your mind and body, there is one Stuart's Dyspepsia Tablets after being all around you and you will feel in your mind that your food is being digested because you will feel no discomfort after eating.

Stuart's Dyspepsia Tablets act in a natural way because they contain only the purest elements of the stomach and other digestive fluids of the stomach. It makes no difference what condition the stomach is in, they go right about their own work and do their work. They know their business and their surrounding conditions do not influence them in the least. They thus relieve the worst stomach ailment and give it its much-needed rest and permit it to become strong and healthy.

Stuart's Dyspepsia Tablets are for sale by all druggists at 50 cents a box. They are so well known and their popularity is so great that a druggist would be as soon think of being out of alcohol or quinine as of them. In fact, physicians are prescribing them all over the land, and if your own doctor is real honest with you, he will tell you frankly that there is nothing on earth so good for dyspepsia as Stuart's Dyspepsia Tablets.

The period of contract to be for one year from December 1st, 1910. Forms of tender may be had from the undersigned. Unauthorized publication of this Notice will not be paid for.
