TEA PRICES ADVANCE

It has been learned from the Salada Tea Company the reason for the recent increase in the price of tea. The largely increased consumption in Great Britain (by far the largest tea drinking country in the world) coupled with the shortage in the tea crop this year of over 80,000,000 lbs., have had the inevitable result. The old law of supply and demand has worked once more, and at the present time prices are higher than have ever been witnessed before in the tea industry. The Salada Tea Company were forced to increase the price of all their blends, in order to maintain their standard of quality, at the greatly increased costs.

TO DINE 400 FOREIGN STUDENTS

Philadelphia Chamber of Commerce Host to Pupils of Schools and Colleges.

Philadelphia, March 1.—Four hundred foreign students in schools and colleges here have been invited to attend the third annual dinner in their honor to be given by the Chamber of Commerce tonight. Representatives of forty-one countries are included in the list of students to whom invitations have been sent.

Well-known business men of this city, with their wives and daughters, will be grouped with the students at the dinner. Men prominent in American diplomatic and business circles will address the gathering. Responses will be made by students. Representatives of each continent will be chosen as speakers.

The plan of entertaining foreign students at a banquet is attracting attention in other cities. Officials of the Chamber of Commerce say they have learned that a similar affair is planned by the New York Merchants' Association, and that Boston, which held such a dinner last year, will hold another this season. Banquets for foreign students also will be held, it is said, in Iowa City, Ia., Chicago, Indianapolis, Springfield, Mass., and South Bend, Ind.

MORNING NEWS OVER THE WIRES

Miss Geneva Stanhope was chosen "Queen" of Calais at "Calais" night in St. Croix rink last evening. There were eight contestants and all appeared in sporting costume. The judges had difficulty reaching a decision and all of the contestants were called on the tie. Three times and still no one was eliminated. The judges then retired and later reached a decision in favor of Miss Stanhope.

Thomas Finlay, the bugler who sounded the "charge" for the gallant light brigade at Balaclava, and started the wild ride immortalized by Tennyson, died yesterday at his home at Drogheda, Ireland. Dalhousie University went on record last evening as being willing and desirous of entering a federation of the universities of the Maritime Provinces at Halifax, Dalhousie is the first of the Maritime universities to agree to federation as proposed.

Miss Mary Allison, maritime girls' work secretary, presented plans for the visit here next week of Miss May Gemmell, national girls' work secretary of the Presbyterian church, at a meeting recently of the local girls' work board. Miss Gemmell will arrive on Tuesday and will meet the C. G. I. T. leaders at St. David's church. There will be a rally of the girls near the end of the week and a Sunday afternoon service will be held at St. Andrew's. After her visit here Miss Gemmell will tour the maritime provinces.
