## MARKET STRONG AT MONTREAL OPENING TODAY

**Brazilian, Smelters and Twin City Are Active Leaders**

**INDUSTRIALS CARRY WALL STREET RALLY**

**American Can Rises to New High Record—Motors Make Gains**

Canadian Press. MONTREAL, Dec. 23.—The stock exchange was strong at its opening this morning, with Brazilian, Consolidated Smelters and Twin City the active leaders. Twin City rose three to the new high of 76 and then eased a point. Smelters was up 1½ to 165½, within 2½ points of the high for all time, established a few months ago, when it touched 168. Brazilian, for which there was most demand, rose to 82½, up three-quarters. With the exception of a gain of one-quarter to 16½, by Industrial Alcohol, the balance of the list was unchanged. Belgo-Paper preferred, Shawinigan and St. Maurice sold at their closing prices at 96½, 171½ and 103, respectively.

**IN WALL STREET.** NEW YORK, Dec. 23.—Active bidding for high-priced industrial shares at the opening of today's stock market carried forward the rally which featured yesterday's late trading. American Can rose more than two points to a new high record at 208, and initial gains of one to 2½ points were registered by Chrysler and General Motors.

BOSTON, Dec. 23.—He kept a revolver in the house to chase mosquitoes, Simon Robleski of Cambridge told the police when they went to his house on complaint of a neighbor who said Robleski was beating his wife. The officers found the gun and a box of cartridges on the bureau and questioned him as to why he kept it in the house. They confiscated the weapon and settled the marital difficulties by suggesting that Mrs. Robleski tell the story to the District Court.
