FULL, LONG SLEEVES
A change from the very long, tight sleeve is offered by the rather full, long sleeve, gathered at the wrist and split at the under-arm seam. These sleeves are most effective when lined with a contrasting color.

In the 1920 U. S. census 11 men were listed as nurse maids.

YOU CANNOT JUDGE BY APPEARANCE.

It is impossible to tell the quality of tea by the appearance of the leaf. A rough, coarse, unevenly rolled tea may taste much better in the cup than a closely rolled, well-tipped tea that appears much finer. The only way to be sure of getting tea of reliable quality is to buy a guaranteed blend like "SALADA," whose goodness and purity have been proved by time.

KING'S DAUGHTERS ELECT.

The annual meeting of Lend-a-Hand Circle of The King's Daughters was held last night in the Guild with a good attendance of members and the reports showed a successful year. Mrs. J. S. Frost, retiring president, was in the chair and declined re-election. Reports were given by Mrs. Walter Gregg, the secretary, Mrs. Leonard Lingley, the treasurer, Mrs. Ernest Waring of the hospital committee, and Mrs. G. B. Taylor, of the House committee. The election of officers resulted as follows: President, Mrs. Walter L. Gregg; vice-presidents, first, Mrs. Leslie Waters; second, Mrs. W. H. Belding; third, Mrs. M. E. Grass; secretary, Mrs. Leonard Lingley, and treasurer, Mrs. Charles Green. It was decided that the Circle should give a treat at the Old Ladies' Home on March 24 and Mrs. Leslie Waters was appointed convener for the programme.

WELCOMED THE SNOW.

The last snowstorm was good for the lumbermen. The Fredericton Gleaner says:—
"The snowfall of the past few days has been of great assistance to lumbering concerns and operators whose hauling was not completed for the season. It has made possible a resumption of hauling in many places where the work had to be entirely abandoned, and the changed conditions are also welcomed by farmers and others who have hauling to do."
