BRUTAL FATHER

THREATENED TO KILL BOY WITH AN AXE

Fatality on Grand Trunk Railway-Presbyterian Assembly Will Meet

in Montreal Next Year.

Montreal, June 11.-Because his father threatened his elder brother a visit to the experimental farm, inwith an axe, Alfred Tariff. aged 16, shot his father in their home on Beaudry street to-day, and as a result the man had to have his leg amputated at he knee. According to the story told the boy who did the shooting and buy gin, and when refused grabbed an axe and threatened the older boy. Fearing that the father would carry out his threat to kill, the younger boy picked up a shotgun and fired at the d man, the charge entering his leg. The mother of the boys, who was absent attending a funeral, upheld the boy for his act, saying the father, beause of his habits, was a burden and ill-treated the sons.

Charged With Murder.

Montreal, June 11.-The trial of Thomas James Hackett, charged with as a result of last fall's revolt. The the murder of little Edith May Ahern, mutiny threatens to spread to the rest was commenced this morning in the of the garrison. The police and the court of King's bench. The entire morning was occupied in choosing a able to cope with the mutineers, who jury. In the afternoon examination of are armed with rifles and have a supwitnesses was begun. The father of ply of ball cartridges. the little girl was first called and broke down when called upon to identify the clothing of his little one. Father Brissette, of the parish of Cote | gates from the Sesky regiment of in-St. Paul, gave unimportant evidence, and his brother failed to identify the mutiny to-day.

Car Jumped Track.

Montreal, June 11.-A crowded car of the Notre Dame street line, running to with a band playing, to the non-com-Dominion park, jumped the track yesterday afternoon at Prefontaine street. It ran along the street for about ten ards and smashed off a telephone pole on the sidewalk. The passengers, whom they met. men, women and children, were almost panic stricken and jumped or tumbled from the car. All escaped injury except Henri St. Denis, a bookkeeper. who was knocked unconscious by being ous soldiers. thrown against a telephone pole.

Drowned.

St. John, N. B., June 11.—Thomas His Message to Premier Bent Previous Lee, one of the best known men in the province of New Brunswick was today found drowned on the beach at othesay. Lee was a bachelor, 72 years of age, and went for a swim on Monday. He suffered from heart trouble, one of the best known educationalists special agent of the New York Life.

Suspect Arrested.

Almonte, June 11.-Joseph Cleroux, an employee of one of the local woollen lls, has been arrested on a charge of having been concerned in an atempt to wreck a Canadian Pacific ailway "Soo" train westbound last Monday morning. He admits being in body of R. J. Seddon, premier of New Majority Report Says He is Not Enthe vicinity of the place, as well as Zealand, who died on board soon after seeing the train stop, and some other details in connection therewith, but denies knowing anything about the obstruction. The obstruction was placed on the track between 2 and 3 o'clock Monday morning, about two hundred yards west of the Main street crossing.

Killed on Railway. Niagara Falls, June 11 .- Mrs. Mary McGeachie, 83 years old, was struck and instantly killed by a Grand Trunk train near here Sunday night.

Death of Mother Superior. Toronto, June 11.-Mother Antoinette MacDonell, mother superior of St.

To Meet in Montreal.

London, June 11.-The Presbyterian general assembly this morning decided ote was overwhelmingly in favor of would follow too soon after the meetwere filled by commissioners to the is \$10,000, that of Mr Granniss \$5,000. assembly. Some of the preachers touched briefly on the proposed union, but it is evident that the commission ers are waiting for an opportunity to give expression to their views when report on the contemplated union is submitted

Almost Perfect. Winnipeg, June 11.-H. H. Hall, of During that period there were 2,862 alone and not on the advice of the Carey's, brought into this city to-day a bunch of wheat pulled from a field of inces and 252 deaths in the city of with when Hon. Mr Fitzpatrick was 4300 acres on his farm at that point. Manila.

The grain measures on the average 20 inches, and also shows an average of seven shoots to the grain of wheat. The seed was sown about April 14th. Mr. Hall represents conditions almost perfect in his section. The grain was sown on old land, fall ploughed, on summer fallow and on new breaking and back setting, and there is at the present time very little difference in the crop in this variously prepared soil.
