GALT WEST -ORA LAKE

The Non-Partisan Split.

It was not until January 1,1917, that the League was in full control, and before long serious dissensions within its ranks had department, institution or industry, of feeling at that time existing in the brotherhood of State officials. When the election of 1920 came around the disaffection was so great that the lower house of the legislature was lost to the League, and a referendum initiated by petition, seriously restriction the operations of the Bank in the operations of the Bank in the operations of the Bank in the state in the operations of the Bank in the state in the operations of the Bank in the state in the operations of the Bank in the state in the operations of the Bank in the state in the operations of the Bank in the state in the st
