## BREAD PRICES AND REGULATIONS FOR ITS SALE IN ST. JOHN

Prevailing prices here  
higher than in other cities  
—An inspector at work.

Bread is still being sold in St. John  
at nine cents per loaf, although flour,  
both Manitoba and Ontario, is sold by  
jobbers at only \$6.60 and \$5.85, respec-  
tively, as against \$7.55 and \$7.25 during  
the corresponding week last year.

The following figures show the high-  
est jobbing prices of flour during the  
months of April to August and the  
month of September up till yesterday:

	Manitoba, Ontario.
April .....	\$9.05 \$8.50
May .....	8.05 7.55
June .....	8.55 8.05
July .....	7.55 7.15
August .....	7.55 7.15
September .....	6.60 5.85

Bread is being sold in many parts  
of Canada today at much less than  
those exacted here. Many reasons  
have been advanced from time to time  
with the object of justifying the con-  
tinuance of the present high prices in  
this city, but the ordinary consumer  
will soon be asking for more convinc-  
ing evidence in support of the contention  
that present prices should be con-  
sidered.

It is, of course, useless to consider  
whether the charge for a loaf is rea-  
sonable or not unless the weight of it  
is brought into the calculation. And  
this matter of weight seems to have  
escaped the attention of both vendors  
and purchasers for some time past.

Hence it seems opportune to call at-  
tention to the by-law passed on March  
31, 1909, under the common seal of  
the city of St. John as amended on  
February 25 last. This by-law reads  
as follows:

1. All bread offered for sale in the  
City of Saint John by the loaf, shall  
be not less than the weight of one  
pound and one half per loaf, twelve  
hours after being baked.

2. Nothing in this by-law contained  
shall be construed or extended to pre-  
vent bakers or other persons from sell-  
ing biscuits, buns, rolls, crackers,  
muffins or any other fancy cakes of  
less weight than is herebefore pre-  
scribed as to loaves, but the same shall  
be of as good quality and free from  
any deleterious material as hereinafter  
provided, and shall be included in  
the term bread for the purposes of sec-  
tion 5 of this by-law.

3. Every vendor of bread shall keep  
scales or weights suitable for the  
weighing of bread in a conspicuous  
place in his shop, and every vendor  
of bread shall weigh the bread offered  
for sale by him if requested by the  
purchaser.

4. No person shall use any deleteri-  
ous material in making any bread for  
sale, and any person selling or offering  
for sale any bread containing any  
deleterious material shall be subject to  
the penalties of this by-law, and such  
bread may be seized and forfeited as  
hereinafter provided.

5. The Chief of Police, or other per-  
son duly authorized by the Common  
Council of the City of Saint John,  
may, from time to time, enter any  
bakery, shop, or premises or other  
building where bread is baked or kept  
for sale, and there inspect the bread  
and premises, and may examine the  
contents of any bread cart or wagon  
or sleigh containing bread for deliv-  
ery or sale, and may seize and take  
away a sample or samples of any bread  
which may be considered by him as  
unfit for use, or any bread which has  
been made with any deleterious ma-  
terial as forbidden by Section 4 of this  
by-law, and also any bread which is  
one ounce lighter than the weight of  
one pound and one half per loaf, and  
may dispose of the same as the  
Mayor or Police Magistrate may di-  
rect.

6. Any and every person offending  
against any of the provisions of this  
law shall for every such offence forfeit  
and pay the sum of Twenty-five Dol-  
lars, to be sued for, prosecuted and  
recovered in the name of the Chamber-  
lain of the said City, for the time be-  
ing, before the Police Magistrate or  
Sitting Magistrate at the Police Office,  
as provided by law, to be paid and  
applied in the manner and to the uses  
directed by the Charter of The City  
of Saint John, and the laws in force  
relating to the Local Government of  
the said City; and in every case, on  
the adjudication of any such penalty  
and non-payment thereof, the same  
shall be levied by distress and sale  
of the goods and chattels of the per-  
son upon whom the penalty shall be  
imposed, and for want of goods and  
chattels whereon to levy, the person  
shall be committed to the Common  
Jail of the City and County of Saint  
John for the term of twenty-five days.

At the convention of the Bread and  
Cake Manufacturers' Association of  
Canada, held in Winnipeg on August  
17, last year, careful consideration  
was given to the probable effect of  
the war in connection with the price  
of wheat, and consequently the prices  
of bread stuffs. A resolution was  
then passed showing that Canadian  
manufacturers including a representa-  
tive from West St. John, were distinct-  
ly averse to raising the prices of the  
products of grain except in circum-  
stances that were compulsory. The  
tenor of the resolution was that the  
association would do everything pos-  
sible to keep down the prices of bread-  
stuffs during the war.

Last week the secretary of the Re-  
tail Merchants' Association here, N. C.  
Cameron, said the sentiment of the

pected.

The Synod of the Presbyterian  
churches in the Maritime Provinces  
will meet in St. John next week, the  
opening session being on Tuesday  
night, and the final session being on  
Thursday or Friday. There will be  
present at the meeting about three  
hundred and thirty delegates, the  
delegates consisting of the pastor and  
one elder from each Presbyterian  
church in the Maritime Provinces.  
The session on Tuesday evening will  
commence with an address by the  
present Moderator, Rev. Donald Mac-  
Donald, B. D., of Grand River, N. S.  
After his address a new Moderator  
will be chosen for the ensuing year,  
and he will immediately enter on  
his duties. Among those who have  
been nominated by the various Pres-  
byteries for the position of Modera-

candidates may be nominated from  
the floor of the meeting.

Some of the delegates, who are  
members of various committees, will  
probably arrive in the city on Mon-  
day evening or Tuesday morning,

work to be accomplished in such a

## PATRIOTIC AUCTION CENTRE OF ATTRACTION FOR ALL NEXT WEEK

A great variety of goods  
all ready for citizens to  
purchase.

Every incoming boat and train yes-  
terday brought hundreds of barrels,  
crates, boxes, sacks and other recep-  
tacles filled with country produce,  
mostly vegetables fresh from the soil,  
and in wide variety, to be offered for  
sale next week at the Patriotic Auc-  
tion. It kept several teams and motor  
trucks busy plying to and from the  
Queen's and St. Andrew's Rinks to the  
different boat and railway warehouses  
throughout the day, taking delivery of  
the great quantities being received  
from the districts canvassed outside  
the city, while as many more were  
busy about the city aiding in the de-  
livery of the local merchandise donat-  
ed. It is most essential that gifts  
should be sent in as soon as possible  
in order that the work of preparing  
for the opening on Monday next may  
be facilitated. Have you given in  
your donation yet? If you haven't,  
why not do it today?

All these goods must be sold next  
week. They represent the best that  
money can buy. As to their quality  
they are of the highest class possible,  
every article donated being of a rec-  
ognized cash value; their quantity is  
such that it will be sold at a profit  
selection from an enormous amount  
of goods of all kinds; as to their var-  
iety, beyond question they embrace  
the widest assortment of goods ever  
offered for sale on local floors. The  
work of departmentalizing is contin-  
uing most successfully, and with the  
arrangement of the rinks intending  
buyers on their going to the two  
centres of interest next week will find  
that the classification has been most  
satisfactorily executed, and they will  
see at a glance almost any article  
they desire to buy, while announce-  
ment will be made later as to the  
hours of the selling of specific articles.

At 7.30 o'clock next Monday even-  
ing, His Honor Lieut-Governor Hen-  
ry, will officially open the big auction  
in St. Andrew's Rink. Mayor Frink will  
then offer for sale the first article,  
and from then until Saturday evening,  
October 8, the doors of St. Andrew's  
and the Queen's Rinks will be open to  
the public afternoon and evening with  
one long series of auctions in progress.  
No admission fee will be charged at  
any time. The idea is to have the  
rinks regarded for the time being as  
the huge department stores of the city,  
it is possible to buy any article desired,  
and to buy at prices made by the  
purchasers themselves, not by the  
promoters, the proceeds to be given  
to the Patriotic Fund. It had been  
at first decided to open in the Queen's  
Rink, but a change was made to the  
evening.

More Donations.

Many encouraging contributions  
continue to be received. Although the  
cans are about at an end, it is re-  
alized that there are many, who have  
not been called upon, and the appeal  
is made to them to show an active  
patriotic interest in the movement by  
sending in their gifts. Among the do-  
nations received yesterday were a  
draught horse, valued at \$200 from  
John O'Regan; a sewing machine from  
Mrs. Chas. Spence; \$15 an typewriter  
from Fred Clarke, Kellogg; and Mrs.  
Christie and two daughters, Misses  
Marjorie and Dorothy Christie of  
St. John, were here for the wedding.

Daye-Sullivan.

St. Stephen, Sept. 29.—The resi-  
dence of Mr. and Mrs. Frederick  
Owen Sullivan was the scene of a  
happy event this morning in which  
the young couple were united. The  
daughter, Elsie Eliot Sullivan and Gay  
R. Daye, of Benton, officiated as clerk  
in the C. P. R. freight offices here.  
The ceremony was performed by Rev.  
H. S. B. Strothard, pastor of the Meth-  
uistic church, in the presence of a  
large gathering of relatives and  
friends.

After the ceremony, and when lunch  
had been served, the happy couple  
departed on the morning express for  
a visit to St. John. Montreal and other  
Canadian cities. The esteem in which  
the young couple are held was mani-  
fested in many valuable presents.

Mahoney-Gauvin.

The marriage of Miss Edith, daugh-  
ter of Mr. and Mrs. Sixie Gauvin, of  
boxes of goods were received yester-  
day from the country districts, sent  
in by train and boat, and a vast as-  
sortment of general merchandise was  
also had from about the city from  
merchants and private citizens. For  
this several motor trucks and delivery  
wagons were thoroughly occupied.  
More are needed, however, to aid in  
the work. Among those who have  
generously loaned the use of vehicles  
are W. H. Thorne & Co. Ltd., the N. B.  
Telephone Co., Allan's Express,  
White's Express, Maritime Mail Co.,  
Ltd., W. H. Hayward, Gandy & All-  
son, J. H. Bain, Sand's Express, and  
others. The request is made that as  
many as possible in the city should  
send in their donations on their own  
account without depending upon the  
vehicles at the disposal of the auc-  
tion workers, for even with the large num-  
ber actively occupied yesterday, it  
was as much as they could attend to  
to care for the delivery of all the con-  
tributions. Cannot others who have  
teams lend assistance in this regard?  
The two rinks will be open every  
night this week as well as during the  
day—send in your donations now, and  
help towards the success of the move-  
ment.

## INTERESTING CASES IN THE POLICE COURT

One prisoner was carrying  
two guns, others stole;  
several had been intoxi-  
cated.

John Jamieson, charged with drunk-  
ness and carrying concealed weap-  
ons, was remanded to jail. Officer  
Linton, who made the arrest, testified  
that while there was a charge of  
drunkenness against Jamieson, he  
would not have arrested him at all  
but for the fact that he was carrying  
a shotgun and a revolver containing  
three loaded shells. Jamieson explain-  
ed that he had been out shooting the  
day before, and having lost his way  
strayed into the city. He was told  
that he was liable to a long term in  
jail and was remanded.

William Hanley, charged with  
drunkenness, pleaded guilty and was  
remanded after being warned that he  
was liable to nine months in jail. His  
Honour told Hanley that he was sur-  
prised to see that he had taken to  
drinking again after very nearly los-  
ing his life as a result of a drunken  
fracas with Mary Romey.

Another imbibler, who stated that  
this was his first time to be charged  
with such an offense, was allowed to  
go on suspension and sentence of \$2 fine or  
five days in jail.

Two boys, aged thirteen, pleaded  
guilty to stealing fittings from the  
boats of the St. John Power Boat Club  
and were allowed to go after being  
given a severe lecture by His Honour.  
One denied taking anything, but the  
other stated that they both took them.  
On second thought No. 1 said that he  
was with Wilson and had carried the  
electric batteries to his own house in  
order to play with them. The parents  
of both boys were in court.

## WEDDINGS.

Fraser-Bennet.

Fredericton, Sept. 29. — A pretty  
wedding was solemnized at Christ  
Church cathedral this afternoon at 2  
o'clock, when Miss Ethel M. Bennet,  
daughter of Mr. and Mrs. Harry Ben-  
net, of Cross Creek, was united in  
marriage to Mr. Sandy W. Fraser,  
second son of Mr. W. Alex. Fraser,  
the well known lumberman and mill  
owner of Covered Bridge. The cere-  
mony was performed by His Lordship  
Bishop Richardson, and the bride was  
attended by Mrs. Morley Young, of  
South Mountain, Ont., a sister of the  
groom, while Mr. Ray Forbes, of Cov-  
ered Bridge, acted as best man. The  
bride wore a gown of white tulle in a navy blue  
tailored suit with white plush hat and  
carried a white prayer book. The  
groom's present to the bride was a  
gold chain and cross, while to the ma-  
ids of honor he gave a gold brooch  
of chip diamonds. The best man re-  
ceived a gold signet stickpin. Mr.  
and Mrs. Fraser left by automobile for  
Covered Bridge immediately after the  
ceremony and will reside at that place.  
They are among the most popular  
young people along the Nashua.

Christie-Dennison.

Fredericton, Sept. 29. — A quiet  
wedding took place this afternoon at  
the residence of the bride, when Miss  
Violet Dennison, daughter of Mr. M.  
Dennison, Charlotte street, was united  
in marriage to R. Allan Christie,  
son of Mr. and Mrs. R. A. Christie, of  
St. John. Rev. Thomas Marshall per-  
formed the ceremony. Mr. and Mrs.  
Christie and two daughters, Misses  
Marjorie and Dorothy Christie of  
St. John, were here for the wedding.

Daye-Sullivan.

St. Stephen, Sept. 29.—The resi-  
dence of Mr. and Mrs. Frederick  
Owen Sullivan was the scene of a  
happy event this morning in which  
the young couple were united. The  
daughter, Elsie Eliot Sullivan and Gay  
R. Daye, of Benton, officiated as clerk  
in the C. P. R. freight offices here.  
The ceremony was performed by Rev.  
H. S. B. Strothard, pastor of the Meth-  
uistic church, in the presence of a  
large gathering of relatives and  
friends.

After the ceremony, and when lunch  
had been served, the happy couple  
departed on the morning express for  
a visit to St. John. Montreal and other  
Canadian cities. The esteem in which  
the young couple are held was mani-  
fested in many valuable presents.

Mahoney-Gauvin.

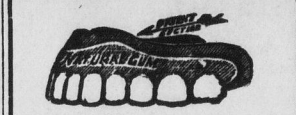

The marriage of Miss Edith, daugh-  
ter of Mr. and Mrs. Sixie Gauvin, of  
boxes of goods were received yester-  
day from the country districts, sent  
in by train and boat, and a vast as-  
sortment of general merchandise was  
also had from about the city from  
merchants and private citizens. For  
this several motor trucks and delivery  
wagons were thoroughly occupied.  
More are needed, however, to aid in  
the work. Among those who have  
generously loaned the use of vehicles  
are W. H. Thorne & Co. Ltd., the N. B.  
Telephone Co., Allan's Express,  
White's Express, Maritime Mail Co.,  
Ltd., W. H. Hayward, Gandy & All-  
son, J. H. Bain, Sand's Express, and  
others. The request is made that as  
many as possible in the city should  
send in their donations on their own  
account without depending upon the  
vehicles at the disposal of the auc-  
tion workers, for even with the large num-  
ber actively occupied yesterday, it  
was as much as they could attend to  
to care for the delivery of all the con-  
tributions. Cannot others who have  
teams lend assistance in this regard?  
The two rinks will be open every  
night this week as well as during the  
day—send in your donations now, and  
help towards the success of the move-  
ment.
