

DRIVING HIM TO THE GRAVE

"Fruit-a-tives Saved My Life"

Niagara Falls, Ont., July 26th, 1911. For thirteen years I was a terrible sufferer from the tortures of Sick Headache, Indigestion, Constipation and Vomiting. I could not retain much food and this, together with the pain, and headaches, was driving me to the grave.

"Then I used 'Fruit-a-tives' and almost at once I got relief. 'Fruit-a-tives' stopped the vomiting, relieved the Constipation, toned up the stomach, and gave me the first relief in years. I feel that I owe my life to 'Fruit-a-tives' and for the sake of other victims of Indigestion and Headaches, I will allow this statement to be published."
