Regular meetings of the Society are held in Alumni Hall each Friday evening during term.

A valuable library, to which constant additions are being made, is placed with the General College Library, to which all students have access.

A prize is given for the best oration, at an open contest during the first term, on a subject chosen by the Society. Subject for 1896: "Sir Isaac Brock."

A prize is also given for the best essay read before the Society, the subject being at the choice of the essayist.

All students in attendance at Victoria University are eligible for membership.
