Madam Speaker: I declare the motion carried.

Motion agreed to, bill read the third time and passed.

Mr. Forrestall: Madam Speaker, I have a question of privilege. Because of the importance of this bill to Atlantic Canada and the fact that it deals with the corridor it had been my intention—and I withdraw that intention—to vote in favour of this measure, not against it. I was not recognized, and I simply want to record the fact that I am in the chamber to speak out for Atlantic Canada.

Some hon. Members: Hear, hear!

Mr. MacKay: Madam Speaker, the same situation pertains to me as that which my colleague just expressed.

Some hon. Members: Hear, hear!

Mr. Crosbie: Madam Speaker, my vote was properly recorded against this abominable piece of legislation.
