THE ACADIAN

WOLFVILLE, N. S., FEB. 10, 1888

Local and Provincial.

ST. VALENTINE'S next Tuesday.

COTY DIED.—Mr. Owen Dickie, of Sarn-
Street, Cornwallis, lost a fine colt one
day last week of inflammation.

LIGHTNING.—Several bright flashes of
lightning were observed on Wednesday
evening last—quite an unusual thing.

TEA-MEETING.—The Presbyterian tea-
meeting is to take place on Wednesday,
Feb. 22, in the vestry of the church.
An enjoyable time will be had.

METHODIST.—The Rev. James A. Rogers
of Windsor will preach next Sabbath
morning in the Methodist church at Low-
er Horton.

ABANDONED.—The schr. A. Anthony,
which has been floating in the ice in the
Basin, has been abandoned. On Thurs-
day evening of last week she was about
three miles from Wolfville, when her crew
left her and got ashore on the ice.

Very choice Tea, in 3 and 5 lb. Tins, at
18¢.

PERSONAL.—Mr. J. A. Johnson left on
Monday for Ottawa, where he will be en-
gaged during the coming session of Par-
liament.—Mr. John Naylor, secretary of
the N. S. Society for the Prevention of
Cruelty, was in town last week for a few
days.

THIEVES.—On Sunday evening last
two whips were stolen from sleighs at the
Methodist church. This kind of thing is
quite uncommon in Wolfville, and we
would advise the fellows to return the
whips, as they may get into trouble, &c.,
the penitentiary at Dorchester.

HYMENAL.—Mr. William Young, son
of the late John B. Young, C. E., of Hal-
ifax and grand nephew and principal
heir of the late Sir William Young, and
Miss Alice Rand, daughter of Leander
Rand, Esq., M. P., were married at
Canning yesterday. We extend congrat-
ulations.

THE RINK.—Owing to the numer-
ous outside attractions, the attendance at
the rink on Friday evening was not so
large as usual. The ice was in good
condition, and the band furnished a good
programme of music. Quite a number
from Kentville, Hantsport and other
places were present.

REWARDED.—The president of the
United States has forwarded to the De-
partment of Marine, at Ottawa, a gold
watch and medal for Captain Steele, of
the barque *Scotts Bay*, of Windsor, and
Reinold Peterson, mate, in recognition of
bravery in rescuing the crew of the schr.
M. A. Davis in March last. The *Scotts
Bay* belongs to Messrs Sheffield & Wick-
way, of Canning.

DEATH OF PETER JACK.—The death
is announced of Peter Jack, Esq., cashier
of the People's Bank of Halifax, which
occurred at his home at Halifax on Wed-
nesday. He was a gentleman well
known and appreciated by business men
for his sagacity, integrity, plain speak-
ing and straightforward honesty of pur-
pose. He occupied the position of cash-
ier of the People's Bank for a term of
twenty-four years.

ACCIDENT.—The express train for Hal-
ifax on Wednesday evening struck a
broken rail about one mile west of King-
ston, throwing the two passenger cars
into the ditch. The passengers got into
the baggage car and came to Kentville.
Passengers, mails and baggage were bad-
ly mixed up. Cars were supplied at
Kentville, when she went forward about
an hour and three-quarters late. A
special was started from Kentville at
once to clean up the wreck. Luckily
no one was hurt, and the cars not badly
damaged as might have been the case.

THE HARRINGTON CONCERT.—The clos-
ing concert given by the Harrington Con-
cert Co., assisted by a class of about fifty
ladies, gentlemen and children of this
town took place in College Hall on Mon-
day evening last. The programme was
varied, consisting of solos, duets and
choruses, and was rendered in a very
pleasing manner. One of the most pleas-
ing features of the concert was "The Cra-
dle Song" by about twenty little girls.
The solo by Mr. Wright and Mrs. Long
were highly applauded. A Dutch dует
by Mr. Harrington and Mrs. Long brought
down the house. The class have made
good progress under the direction of Mr.
Harrington and Mrs. Long, and should
return next summer as they antici-
pate, they will no doubt secure a much
larger class in Wolfville.

SLEIGHING GONE.—The mild weather
and rains of this week have pretty well
spoiled the sleighing which was good
last week.

FARM SOLD.—Mr. Nettaway Brydon,
of Somerset, has purchased the well-
known farm in Weston owned by Alfred
S. Rand, Esq.—*Western Chronicle*.

DEATH OF A TEMPERANCE VETERAN.
—Mr. Samuel Flint, a well-known resi-
dent of Yarmouth and one of the charter
members of the first Sons of Temperance
Division started in Nova Scotia, died the
other day.

ICE.—A number of teams have been
busily employed for the past two weeks
in supplying the ice houses in this vicin-
ity. This is said to be a most favorable
season for harvesting this article, as it is
the thickest and clearest for several
years.

Unbreakable, "La Bastie" glass lamp
chimneys, at R. PRAT'S.

MISSIONARY MEETING.—The annual
missionary meeting of the Wolfville
Methodist church will be held on Sabbath
evening next. Addresses will be deliv-
ered by the Rev. J. A. Rogers, of Windsor,
and others. A collection will be taken
up in aid of the missionary society. A
similar service will be held at Greenwich
on Sabbath afternoon.

SUGAR REFINERY.—The annual meet-
ing of the Nova Scotia Sugar Refinery
company was held on Tuesday at Hal-
ifax, when it was announced that, after
paying \$100,000 on the \$200,000 mort-
gage held by the Merchants' Bank of
Halifax, and the 13 per cent dividend on
the year's business, between \$30,000 and
\$40,000 would be placed on the rest ac-
count.

SWEETNESS.—One day last week while
Mr. J. L. Gertrude, of Gasperau, and a
number of men were chopping in the
woods up the Gasperau river, they came
upon a bee hive in the heart of a
tree, which contained about 200 pounds
of choice honey. Though it is not very
unusual that hives are found in such
places, this is said to be the largest ever
discovered in this vicinity.

WANTED.—Dried Apples, Beans, and
Oats, in exchange for goods at R. PRAT'S.

ANOTHER CARNIVAL.—On account of
bad weather and consequent postpone-
ment of the last Carnival, Mr. Munro has
been requested to have another, which
will take place on Tuesday evening next.
Every preparation will be made to make
this a most enjoyable affair, and there
will probably be a large attendance. The
usual attractions of electric light and
good music will be provided.

THE CHURCH OF ENGLAND.—In an-
other column will be found an article by
Anglo-Catholic in reference to the
early history of the Church of England.
Owing to our space being well taken up
it has been laid over for some weeks.
The idea of the writer is not to again
open up the dispute on infant baptism,
but to give some facts in connection with
the English Church which are not gen-
erally understood.

ACADIA LODGE.—The officers of Ac-
adia Lodge for the present term were in-
stalled on Saturday evening last by the
Lodge Deputy, Mr. Geo. C. Johnson.
Following is the list:

C. T.—B. O. Davison,
V. T.—Miss Bessie Benjamin,
Secy.—George Higgins,
Treas.—G. C. Johnson,
P. S.—J. L. Franklin,
Chap.—T. S. Wallace,
Marshal—Eddie Higgins,
Guard—Harding Bishop,
Sentinel—Miss Annie Chase,
R. H. S.—Miss Lillian Benjamin,
L. H. S.—" May Vaughan,

D. M.—Miss Lizzie Higgins.

B. G. Bishop is offering his stock
of Crockery, Glass and Earthenware at
great reduction in order to make room
for the spring stock.

FRUIT GROWERS' ANNUAL MEETING.—
C. R. H. Starr, Esq., secretary of the
Nova Scotia Fruit Growers' Association,
writes us as follows:—

The annual meeting of the Fruit
Growers' Association of N. S. will take
place at Wither's Hall, Wolfville, on
Thursday and Friday, the 16th and 17th
inst. A most attractive programme will
be presented, and an interesting and
profitable time is confidently anticipated.
All are cordially invited, and no fruit
grower can afford to be absent. Ques-
tions and subjects for discussion are so-
lited from parties interested in fruit
growing. The programme will be sub-
lished in a few days. The usual railway
arrangements have been made. Don't
fail to come! Ladies particularly in-
vited.

Local and Provincial.

FARM FOR SALE.—Mr. George Rain-
forth is offering his farm near Berwick
for sale or exchange. Parties wishing to
buy such a farm will do well to read his
advertisement in another column.

THE LATE HANGING.—Call on B. G.
Bishop and see his new lot of hanging
lamps fine and cheap. Look out for a
rush.

AUCTION.—By referring to our adver-
tising column it will be seen that the per-
sonal property of the late Alex. Cleve-
land is to be sold at public auction on
Tuesday next. A quantity of farm
stock, etc., is offered, and no doubt bar-
gains will be had.

APPLES.—Quite a boom in apples has
been going on in Wolfville this week.
Several cars have been loaded for the
Market at Halifax, for the English market.
The shippers are W. H. Chase & Co., of
Port Williams, and J. A. Bancroft, of
Round Hill. Cars are also ordered for
the *Asorim* at Annapolis.

SEX OF SPRING.—A full-blomed and
beautiful butterfly made its appearance
in the house of Mr. Christian Miller, Col-
lege Road, last week. It is rather a curi-
osity for this season of the year, but
seems quite contented and happy.
As this is the first of the season we
hasten to record it.—*Windsor Tribune*.

THE QUICKEST PASSAGE ON RECORD.—
A letter from Aspinwall, Jan. 14th, in-
forms us that the barquentine *Lottie*, D.
L. Mills, captain, from Boston for that
port, made the run in seventeen days, the
quickest passage on record. During the
time the vessel was hove to thirty-six
hours.—*Hants Journal*.

Very artistic is the show of Artists'
Materials at B. G. Bishop's, all colors,
oils, gasolene, etc.

NEW PARCEL POST.—A new arrange-
ment of the parcel post system went into
operation Feb. 1st. By this arrangement
parcels not exceeding four pounds can be
sent to all parts of the Dominion at the
rate of one cent an ounce, prepaid by
stamp. Articles of merchandise must be
put up so as to be readily examined by
the post office officials, and must not be
sealed in any manner.

SCOTT ACT.—The Scott act campaign
is waxing warm in Moncton. On Tues-
day a prominent hotel keeper paid \$50
and costs for a violation of the law. Sev-
eral young ladies are busily engaged can-
vassing the different wards in favor of the
act. They go from house to house, make
a personal canvass and take the names
of those who promise to vote against the
petition. They are energetic canvassers,
and can give abundant reasons why the
act should be sustained.

S. P. C.—A public meeting of the res-
idents of Wolfville was held in the ves-
try of the Baptist church on Tuesday
evening last, which resulted in the form-
ing of a branch of the Nova Scotia Society
for the Prevention of Cruelty. The
following were elected officers:

Pres.—Dr. Sawyer,
1st Vice do.—J. W. Hamilton,
2d " "—Rev. T. A. Higgins,
3d " "—Rev. R. D. Ross,
Secy.—Rev. J. B. Hemmison,
Treas.—Fred Brown,
Agent—T. S. Wallace.

We understand the secretary was in-
structed to forward a report of the pro-
ceedings to the ACADIAN for publication,
but has failed to do so.

CHEW! CHEW!—Just received, a fine
lot of American Cheewing Tobacco also
Macdonald, Black Diamond, Napoleon,
T. & B. Virginia Leaf, all of which are
of the very best quality. J. M. SHAW.

GOOD WORDS.—The following are a
few of many flattering testimonials that
have been given to Mrs. Marion B. Bax-
ter, the famous lady lecturer who is to
speak in this town in a few days:

I am staking my reputation upon
your ability to please any audience, how-
ever critical that audience may be.—John
B. Finch.

I rejoice in your success.—Francis E.
W. Ward.

Truly that beautiful quotation of Fran-
ces Willard to the women of the nation
is an axiom in Mrs. Baxter's life. "First
womanly, then what you will."—*Minnie
Phelps, Supt. Press Department, St. Cathar-
ines, Canada*.

The hall was packed with a fine and
intelligent audience, who were much
pleased with Mrs. Baxter's lecture. She
is elegant, logical, and her earnestness
makes her what she is, a practical and
powerful speaker.—*The Sun, Ingersoll,
Canada*.

A LETTER FROM QUEBEC.

(Translated from the French.)

GENTLEMEN.—I have deferred writing the letter to testify to the benefits
derived from the use of your SIMON'S LINIMENT. It has done wonders
among all the people who have used it about here.

I can certify, that in every case where I have used it upon myself, I have been
very well satisfied.

Mr. N. Mooney of St. Sylvester, had a bad leg which was said to be incurable.
I told him to use Simon's Liniment, and it has effected a complete cure in a very
short time. His neighbor Mr. John Devin having received a serious cut on his leg,
Mr. Mooney took him the Liniment, and having used it, found himself completely
cured.

I have been assured of the cures of these people, and the remedy having become
known, it has created quite a demand, people coming as far as 35 miles to procure
it for themselves.

Mr. Wm. Bennett of St. Ferdinand has had it some time for himself and he has
since bought it for his friends, who suffer from Rheumatism, and they have all been
well satisfied.

I have never known any medicine to have had such good results about here
as Simon's Liniment. Hoping that it will prove as satisfactory elsewhere,
I am yours truly,
DAMASE PAGEOT,
Merchant.
