# Mercantile Summary.

ONE hundred and seventy-five ounces of gold was taken from 38 tons of quartz at the McGuire mine, Whiteburn, N. S., last week; the result of a month's work

Work has been resumed on the Springhill & Oxford railway, and the section between Oxford and Salt Spring, seven miles, is being pushed forward by sub-contractors.

THE Canadian Government Commissioner to the Argentine Republic, Mr. Simeon Jones, has reached Buenos Ayres and been heartily welcomed.

THE business of the Canadian Pacific Steamship Line to China and Japan has increased so much, says a Vancouver exchange, that two additional steamers, the "Zambesi" and the "Adelaide," have been chartered.

SUCKLING, CASSIDY & Co., of this city, have sold the general stock of H. P. Boomer, Erin, valued at \$1,719.78, at 29 cents on the dollar. The stock of the Toronto Steel Wire Mat Co. was withdrawn, at \$11,500 bid.

THE Nova Scotia Provincial Exhibition is to be held at Truro, N.S., this year, as Halifax refuses to accept the local grant of \$4,000, after having been so badly disappointed in not receiving the Dominion grant of \$10,000.

1,000,000 passengers were carried over the Halifax street railway last year, which at five cents per head would give a gross revenue of \$50,000. The net revenue is stated to be \$15,000, which will be a large percentage on the cost of the road, but the bonded debt does not always represent the real cost.

MESSRS. J. F. THOMSON and G. H. C. Dunstan, of this city, have formed a partnership as real estate, insurance, and financial brokers. The activity and "go" of Mr. Thomson as a real estate man are well known. The bank training of Mr. Dunstan will render him a desirable office man, and his popularity must be of service to the new firm, whose style is Thomson & Dunstan.
