Mercantile Summary

THE cigar manufacturing firm of A. H. Wood & Co., Montreal, has assigned on demand of a New York creditor. Mr. Wood was formerly of the firm of Tasse, Wood & Co., who failed in March, 1896, owing some \$45,000 direct, and \$50,000 indirect. The firm did not get a settlement, and Mr. Wood resumed business shortly after, under cover of his wife's name.

A WINDING-UP order has been issued in the matter of the Anglo-Canadian Asbestos Co., whose mines are located at Black Lake, Que. The company was incorporated in 1886, under British laws, with head office at London, and with an authorized capital of £50,000. The mines were very successfully worked for some years, a dividend as high as 20 per cent. having been paid one year, it is said, but owing to the great depression in prices, the mines have not been operated for some years past.

A GROCER at Maidstone, named Wm. Belanger, has assigned.—A. W. McCannel, doing a tailoring business at Port Elgin, Ont., who had some assistance from his father, became somewhat reckless, and has assigned, and he is now reported as having left the place. He was in this city last week. Liabilities probably small. —About two years ago, two young men, named Graham, opened a bakery and confectionery business in Owen Sound. Owing to lack of capital and lack of experience, they came to grief, and now assign. Formerly they were employed in a chair factory.

IN March last, E. A. Curvin bought the undertaking and carriage business of David E. Mann, at Warkworth, Ont. Previous to this he had been in business at Fenella, and afterward at Roseneath, but never accumulated any capital to speak of, therefore, he could not compete to advantage, and now makes an assignment.

HENRY FOREST & Co., general storekeepers, Kutawa, Manitoba, have assigned. During the past winter they have been trading with Indians north of Duck Lake, where they made several losses. The estate is reported in bad shape, and the liabilities are entirely out of proportion to the assets.
