

## The Teapot Test

You will find that **five** spoonfuls of Blue Ribbon Tea will go farther than **eight** of the lower-priced tea, consequently **Blue Ribbon** is the cheapest in the end.

It is also a mistake to think that by paying more for tea you can obtain a better article than **Blue Ribbon**.

**A Teapot Test** will satisfy you on these points.

## Our Duty to Canada and the Empire

**HAVE** you realized the great responsibility that rests upon us all here in Canada, at this trying period in the history of the Empire? As Canadians, living at home in peace and tranquility, our duty is quite as important as that of our sons who have gone to the front.

That duty is to **PRODUCE**—and in order to provide for the enormous increase in production it is necessary for **YOU**, upon the farm, to put your barns in shape to accommodate your increased production, and for **US**, here in the factories to turn out metal building materials for the proper safeguarding of your increased crops.

We are doing our duty to Canada and the Empire, inasmuch as we, The Pedlar People, have not discharged a workman

nor reduced one man's salary since the War started. Our factories are still running with the same complement of men as employed one year ago, before the war was thought of.

Our warehouses are piled to the roof with raw materials—our stockrooms are filled with an abundance of manufactured articles.

Are you doing **YOUR** share?

Write us for quotations on *Oshawa* Galvanized Steel Shingles, Corrugated Iron Roofing and Siding, Brick and Stone-faced Sidings, Corro Crimp Roofing, Silo Covers, Culverts, Eaves Trough and Conductor Pipe, Finials and Ornaments—anything and everything in Sheet Metal.
