

"When we have been wrong, the Remington-Wahl has been right."

This is the testimony of a prominent user of the

Remington

Adding and Subtracting Typewriter
(Wahl Adding Mechanism)

This testimony tells the very essence of the reason why every business house should use this machine for billing, order work, and all work where writing and adding are done on the same page.

The machine which is error proof, and proves everything, which proves its own work, and yours too, is the machine for which you have been looking to stop all the leaks in your billing and accounting system.

And over and above this insurance of accuracy is the time and labor saving. Our representative will be glad to demonstrate the machine on your request.
