 Notice to Students Regarding Board of Governors Consideration of Tuition Fees for 1992/93

The Board of Governors and its Committees will be holding the following open meetings to discuss proposed tuition fees for 1992/93 and their implications for students and the University.

**Committees**

**Finance and Budget Committee**  
Friday January 17, 1992 • 4:00 P.M. - 6:00 P.M.  
Board and Senate Room, A&A Building

(The Committee will examine what is generally considered to be the estimated rate of inflation for the next year, the probable increase in tuition fees at other Nova Scotia universities and the impact of this on the inflation component of the proposed tuition fee increase for 1992/93.)

**Board of Governors**  
Tuesday, January 21, 1992 • 3:00 P.M. - 5:00 P.M.  
McInnes Room, Student Union Building

(The board will hear submissions from interested students and organizations, and discuss the proposed tuition fees for 1992/93.)

Thursday, January 23, 1992 • 4:00 P.M.  
McInnes Room, Student Union Building

(The Board will decide upon tuition fees for 1992/93, and conduct other business.)

Izaak Walton Killam  
**Children's Hospital**

**A Career in Orthoptics/Ophthalmic Medical Technology**

Orthoptics is the clinical science of ocular motility and binocular vision, and related disorders of the eyes. An Orthoptist is an allied health professional who works with ophthalmologists, (eye physicians and surgeons) analysing and treating patients unable to use both eyes together because of an eye muscle or sensory abnormality. An Ophthalmic Medical Technologist assists the ophthalmologist with a wide range of diagnostic tests and procedures requiring a great deal of technical expertise.

In July 1992, the Izaak Walton Killam Children's Hospital will commence an accredited twenty four (24) month training program leading to a Certificate of Orthoptics and Ophthalmic Medical Technology. Applications are now being accepted from individuals holding a baccalaureate degree with courses in any of the following areas: psychology, physiology, biology, anatomy, physics, statistics, research methodology. Work/volunteer experience in the health care field will be considered an asset. Candidates should possess good communication skills, sound judgement, emotional maturity and a demonstrated ability to relate will to children and to adults. Financial assistance may be available to qualified students.

**Deadline for application is February 14, 1992.**

For further information regarding a challenging, interesting and rewarding career in the health care field, please write:
