Sydney, N. S., Aug. 9th, 1924.

Duncan C. Scott,  
Deputy Supt. General,  
Indian Affairs,  
Ottawa, Ont.

Dear Sir:

I am informed under good authority that the City of Sydney is condemning our disgraceful conditions that exist upon this reservation and in order to prevent their drastic action I would suggest that if the department is contemplating the removal of Indians from this reserve in the near future to go ahead with the work as quickly as possible. Reply expected.

Yours respectfully,

*B. E. Christmas*

Indian Chief.
