Ottawa 17th November, 1908.

Sir,

I beg to acknowledge the receipt of your letter of the 2nd instant, No 111, reporting in regard to the erection of the farm buildings at Fishing Lake Reserve and in reply I may say that the Department approves of your suggestion in regard to deferring the painting of the buildings until next spring.

When all the work, with the exception of the painting, has been done you should send in a voucher for the full amount of the contract. You should shew on the face thereof the payments made on account.

Your obedient servant.
