Ottawa, 4th March, 1916.

Sir:-

In reply to your letter of the 21st. ultimo, I beg to say that the Affidavit therewith enclosed goes to show that Constable Hamblin appears to be keeping close observation of Indians and Whites, who have been breaking the law in regard to the use and supplying of intoxicants to Indians. It is most important that the guilty party shall be brought to justice. Kindly impress upon the constable that he should take particular pains to prevent Indian women being furnished with liquor.

Your obedient servant,

Asst. Deputy and Secretary.
