

AN OPEN LETTER

From a Well Known Clergyman Showing How Indigestion
Can be Cured.

Rev. T. A. Drury, Beamsville, Ont., writes as follows:—"For eighteen years I have been increasingly impressed with the wonderful effects for good wrought by Dr. Williams' Pink Pills. For some years I had suffered almost constantly with chronic dyspepsia of the most stubborn type, attended by different other troubles which invariably follow, or accompany it as its results, prominent among which were kidney trouble and piles. Against this complication of disease I waged a vigorous warfare for several months, using many different remedies, none of which gave permanent relief. In my discouragement I was about to discontinue treatment altogether when I was advised by a friend to try Dr. Williams' Pink Pills, the use of which, though under very unfavorable circumstances, soon revived my drooping courage. The medicine struck at the root of my weakness and the different troubles of which dyspepsia was the prime cause released, let go, and disappeared. In one month I increased fifteen pounds in weight, and received a new lease of life. Only six boxes of pills produced this wonderful change in my health, which was miraculously permanent.

Later my sister became so reduced by anaemia (though under the care of our family doctor) that she could scarcely walk. In this dangerous extremity Dr. Williams' Pink Pills were resorted to and in a brief space of time restored her to perfect health.

Being a minister of the gospel many test cases have come under my notice, in all of which Dr. Williams' Pink Pills have fully sustained their world wide reputation. This is why I can conscientiously recommend Dr. Williams' Pink Pills as being superior to anything known to me in the treatment of the many diseases for which they are recommended."

Mrs. Thos. Steeves, Dover, N.B., says:—"My system was so run down that I would tremble and could scarcely walk up stairs. I would take dizzy spells and could not sleep well. After taking Dr. Williams' Pink Pills for a time I was as well as ever. I would recommend Dr. Williams' Pink Pills to all who are weak or run down."

Mrs. Charlotte Wood, Little River, N.B., says:—"I suffered so much from rheumatism that I could not raise my arm to my head. I got four boxes of Dr. Williams' Pink Pills, and am glad to say that they cured me."
