

one on lot 29, in the seventh concession, and one at Hornby; one on lot 8, one at Stewarttown and one on lot 22, in the eighth concession; one on lot 6 and one on lot 29, in the tenth concession; one at Norval and one at Georgetown. Grand total, 16.

*Post Offices*.—Scotch Block, Acton, Lime House, Ashgrove, Stewarttown, Silver Creek, Hornby, Georgetown, Glenwilliams, and Norval. Total number, 10.

*Railroads*.—The Grand Trunk Railway enters this Township, from Chinguacousy at lot 15, in the eleventh concession, and thence runs in a North-west direction through Georgetown and Acton, to the North-west corner of Esquesing, where it passes into the County of Wellington. It has two depôts in this Township; one at Georgetown and one at Acton. There is also a branch railroad which runs from Georgetown, North to a Quarry, on lot 28, in the tenth concession.

*Streams of water rising in or running through the Township*.—The Credit river enters, from Chinguacousy, at lot 28, in the eleventh concession, and flows South-west through Glenwilliams, thence it flows South-east through Norval, where it passes into Chinguacousy. Its principal tributary is Silver Creek, which runs from Ballinafad, South through Georgetown; thence it flows South and South-east to Norval, where it empties into the Credit. The principal tributary of Silver Creek is formed by two streams; one of which flows from Acton, South-east to lot 20, in the sixth concession, and the other runs from the northern part of the sixth concession South to the same lot, where they unite and flow South through the same concession to lot 16; thence East through Stewarttown, and then North-east to lot 17, in the ninth concession, where it empties into Silver Creek.
