

ILLUSTRATIONS

SECTION I

General Considerations

| FIG. | | PAGE |
|---------|---|--------|
| 1. | Arrangement of Sterilised Sheets for Operation on Goitre | 8 |
| 2. | Stand for Lotions used in Author's Clinic | 12 |
| 3. | Braun's Apparatus for the Administration of Chloroform and Ether | 15 |
| 4. | Conduction Anæsthesia (Braun) of Front of Upper Arm (after Spalteholz) | 19 |
| 5. | Conduction Anæsthesia (Braun) of Back of Upper Arm (after Spalteholz) | 20 |
| 6. | Conduction Anæsthesia (Braun) of Front of Forearm (after Spalteholz) | 21 |
| 7. | Conduction Anæsthesia (Braun) of Back of Hand (after Spalteholz) | 22 |
| 8. | Conduction Anæsthesia (Braun) of Finger (after Spalteholz) | 22 |
| 9. | Conduction Anæsthesia (Braun) of Anterior Surface of Thigh (after Spalteholz) | 23 |
| 10. | Conduction Anæsthesia (Braun) of Front of Leg (after Spalteholz) | 24 |
| 11. | Conduction Anæsthesia (Braun) of Back of Leg (after Spalteholz) | 25 |
| 12. | Conduction Anæsthesia of Median and Ulnar Nerves (after Spalteholz) | 26 |
| 13. | Dissection of Right Side of Neck (Spalteholz) to illustrate Conduction Anæsthesia (Braun) | 27 |
| 14. | Dissection of Perineum (Spalteholz) to illustrate Conduction Anæsthesia (Braun) | 28 |
| 15-16a. | Normal Incisions illustrated on Langer's Figures | 31, 32 |
| 17. | Koehler's Artery Forceps | 33 |
| 18. | Point of Introduction of Needle in the Production of Medullary Anæsthesia | 42 |
| 19, 20. | Skiagrams of the Lumbar Vertebra (Klien) | 43 |
| 21, 22. | Cathelin's Method of Epidural Injection of Sacral Canal | 45 |
| 23. | Chloroform Mask | 48 |

SECTION II

Surgery of the Vascular System

| | | |
|---------|--|--------|
| 24. | Incision for Exposure of Heart | 83 |
| 25, 26. | Exposure of Heart | 84, 86 |
| 27. | Outline of Heart, Lungs and Pleura (Spalteholz-Merkel) | 88 |
| 27a. | Transverse Section of Thorax showing Effusion in the Pericardium | 89 |
| 28. | Ligature of Lingual, Common Carotid, Innominate, first part of the Axillary, and Internal Mammary Arteries | 94 |
| 29. | Ligature of External Carotid and Subclavian Arteries | 96 |
| 30. | Ligature of Superior Thyroid Artery | 98 |
| 31. | Ligature of Lingual, Common Carotid, Innominate of the Axillary, and Internal Mammary Arteries | 100 |
