## PREFACE.

The Publishers of this work have used every effort this year to  
place before the public as reliable information as could possibly be  
obtained in the short period of time available, and it is hardly  
possible to take more pains to make the work more reliable. There  
are quite a number of persons who evade giving their names, for  
fear of being taxed, and in place give the agents fictitious names.  
Some of these fictitious names will appear in every Directory  
published, the publishers not being able to detect them however  
carefully they may try to do so.

In the Business Directory will be found the names of those only  
who advertise or subscribe to this work.

To the supporters of this work the publishers return their sincere  
thanks.

D. McALPINE & SONS.
