The Martin Steam Power Brick Machine

STYLE "B"

Capacity 25 to 30,000 Weight, 8,500

This machine in its original form, as built 20 years ago, has been on the Canadian market during that time made by several parties. Not being satisfied with the old machine, we procured from the patentee the latest improved machine, and it is in this machine we offer our customers. Every machine is correctly adjusted before leaving our works.

We have a few of these machines in stock for immediate delivery.
