**CAMPBELL'S
CAR VANS**

Are the logical answer to the MOVING QUESTION—they solve the problem of care and safety in the moving of household furniture so far as the vehicle is concerned.

Our trained experts—packers—movers—shippers—in addition to our big Padded "CAR VANS" complete the combination of "Safety First" in Campbell's big organization.

No matter where you want to move your household goods—from house to house—out of town—or to store them in our Fireproof Security Warehouse, phone us about it—Seymour 7360—"WE KNOW HOW."
