Solomon said,

700-701 Garden City Block
Cor. Randolph and Fifth Ave.

"There is nothing new under the sun,"—but Solomon never saw the Dayton Computing Scale. Is there nothing new about a scale that weighs in money instead of pounds and ounces? Nothing new about a scale that absolutely prevents mistakes? If not, then Solomon spoke the truth.

Are you interested in goods that will save you time, trouble and money? The Computing Scale is open for your inspection, and we will gladly give you all particulars.
