Fred. Arnold, a youth from Wiarton, recently sinned against the law by sending a large stone through a plate glass window in the Arlington hotel. The Wiarton authorities got after him with the result that he was given ninety days in the Walkerton gaol.

For a Bad Cold—Nothing cures so quickly as the healing pine essences in Catarrhzone. It fills the breathing organ with a healing, soothing vapor that relieves irritation at once. Ordinary colds are cured in ten minutes. Absolutely sure for Catarrh, and in throat trouble it works like a charm. Catarrhzone is a permanent cure for bronchitis and throat trouble. Not an experiment—but a cure that's guaranteed. Get Catarrhzone to-day. 25c. \$1 sizes.

While it is undesirable to be a crank on health, it is worth while to give it many thoughts as you go along, just to make sure you are keeping it. Carlyle wasn't so far wrong when he said: "Health is a thing to be attended to continually. There is no achievement in life that is equal to perfect health."

There is pending in the French Parliament a bill providing for old age pensions to railroad work people. This bill was introduced ten years ago and five years ago was submitted to the president of the senate. In order to hurry him up a little on June 8 last 400,000 postcards were addressed to him by as many railroad men in all parts of France, asking his early attention to the matter.

What Causes "Nerves?" Most people say worry—they are wrong—the cause is in the blood which is thin, and lacks nutriment. To cure "nerves," more blood, sinew and flesh is required. You get these quickly by using Ferrozone. No health brings so certain, no nerve-strengthening more potent, no system tonic so well adapted to the wants of the run-down, nervous or sleepless. Let Ferrozone build you up, let it fill you with vim and energy and surplus vigor. It has done this for thousands.

The first Canadian coin to be minted in the Dominion were turned out at 3 o'clock Thursday afternoon. They were made at the new Ottawa branch of the Royal Mint, which was officially opened by his Excellency, Earl Grey. His Excellency merely declared the mint open, and started the machinery which coined the first fifty-cent piece. The stamping machinery for the copper cent piece was also started, and a souvenir copper coin was presented to each person present. The mint will be kept in daily operation from now on, and will furnish a ready market for the product of Canadian copper and silver mines. It is the intention of the government to build a refinery in connection with the mint in order to insure that gold and copper which is brought in for minting will be of the proper degree of purity for coinage.

Cause of Boils Explained.—Even in health there is a large accumulation of matter in the system, which if not destroyed, breaks through the skin in the form of pimples and boils. No remedy so cleansing, so sure to drive out boils as Dr. Hamilton's Pills. They brace up the system, rid it of humors, restore health, and absolutely prevent swellings, pimples, blotches and boils. Because mild and certain, anyone can use Dr. Hamilton's Pills. Sold by all dealers.

The weather is blamed for colds these days, but many people forget, says the Home Journal, that this is really winter, and are not wearing seasonable underwear. Put on your flannels. After that is done, try steaming the nose and throat with spirits of camphor or oil of eucalyptus. Put a teaspoonful of oil in one-half pint of hot water, soak a sponge in this, and wring out as hot as possible. Hold the sponge to the nose and mouth and draw in the steam. Keep the head covered while doing this so that none of the steam escapes. Repeat this several and relief is sure to follow.

The following from the Waterloo paper will give the ratepayers of Bruce County something to ponder over.—"The Waterloo County council concluded its business for the year 1907 on Wednesday afternoon shortly before 4 o'clock the work being completed in one day. This is entirely different from the manner in which business is transacted by Councils in neighboring counties. Oxford Council was in session seven days, and Perth and Wellington councils, for five days. Several members expressed the opinion that the attention of the electors of these counties should be drawn to the fact that the cost of government must be unnecessarily high compared with Waterloo County, which is one of the most important in the province."

Mr. M. D. Silver, of Sutton West Ontario, made money out of his orchard in 1907. He states that he sold to J. O. Henry & Sons, Oshawa, over 1400 barrels for \$2573 cash. He did not furnish a barrel, nor pick an apple, nor board men, but simply delivered apples at the station, three-quarters of a mile; he also sold \$70 worth to neighbors in village and kept 20 barrels for family use. This orchard comprises 25 acres and consists of over 200 Northern Spy trees and other good shipping varieties, including Baldwins, Ben Davis, Russets, Greenings, etc. This orchard has been little or no expense to Mr. Silver, the trees having been planted when he purchased the property.

When the Stomach Heart or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample test on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test.—J. Coates.

Division Court was held in Chesley on Tuesday, when the case of James Thompson, Elderslie, vs. Archie Bugg, Toronto was heard before His Honor, Judge Malcomson. It is an action to recover price of a horse. Thomson sold the horse for \$200, to Bugg, and in Bugg's opinion it proved to be a kicker, because it kicked for seven miles on his first drive to Walkerton. He consequently returned the horse to Thompson, repudiated his bargain, and Thomson paid him back \$150 on the understanding that the remaining \$50 was to be fought out in division court. Judgment was reserved.

After being buried 36 hours in a wood-pile in the woodshed of his home, Robt. Grey of Ailsa Craig, an elderly retired farmer, was discovered at six o'clock Christmas night by neighbors and is now in a critical condition from exhaustion. The loud moaning of a cow on the premises attracted attention and an investigation followed which resulted in the finding of the unfortunate man. Mrs. Gray was spending Christmas away from home.

Mr. George Collins' drug store at Chatsworth was totally wrecked Wednesday morning by an explosion of acetylene gas. The explosion shook the whole village, and when the citizens reached the spot they found a scene of wreck and destruction that almost passed description. The whole front of the store blown out, the floor torn up, and side and rear walls badly damaged. The stock is totally destroyed. The force of the explosion smashed windows all over the village. Luckily fire did not follow; the damage was bad enough as it was. Mr. Collins, who resided over the store, was out of town, and Mrs. Collins was alone in the house. Fortunately, she escaped unhurt. The cause of the explosion is not known, beyond the fact that the acetylene gas generator blew up.

VERY PREVALENT IN YOUNG WOMEN.

ACONDITION OF "WHITE-BLOOD-EDNESS IS FAST INCREASING."

It is always associated with languor and sensitiveness to cold. All the mucous surfaces, such as the gums, lips and eyelids, are blanched and waxy looking, the skin is pallid and colorless.

The pulse becomes rapid and feeble; there is also loss of appetite and enfeebled digestion, palpitation of the heart, breathlessness and tendency to faint. In extreme cases there is complete disappearance of the menstrual flow and dropsical swelling of the limbs.

Physicians know of no remedy so prompt in results as Ferrozone, which contains all the elements lacking in debilitated blood.

Ferrozone not only improves the present quality of the blood, but actually forms more blood—the rich, red kind that nourishes and feeds the organs that require assistance.

"About a year ago," writes Mrs. S. G. Stanhope, of Rothsay, "my daughter complained of feeling tired. She was very pale and listless, and kept losing strength until she was too weak to attend school."

"We read of a similar case, that of Miss Descent, Stirling Ont., being cured by Ferrozone, and this induced us to get it for Elaine. It took three boxes of Ferrozone to make any decided improvement, but when six boxes were used my daughter was beginning to be her old self again. It didn't take much longer to make a complete cure. It has made a new girl of her. She has gained ten pounds in weight and looks the picture of perfect health. She is stronger and enjoys the best of spirits."

Every growing girl and young woman can make herself strong and healthy with Ferrozone. Price 50 cents per box, or six for \$2.50, at all dealers.

While feeding a cutting box that was being driven by horse-power, Mr. N. J. Chapman, of Grasmere Grange Farm, Pickering, got his hand caught in the machinery. He immediately caught the reverse, lever, but did not get the knives stopped until his hand was entirely off. The arm was so badly crushed by the feed rollers that it was necessary to make the amputation above the wrist.
