

**GUELPH FAIR**—Yesterday was our Semi-annual Fair, when a greater number of persons were present, and a larger amount of stock was brought forward, than has been the case on a similar occasion in the memory of "the oldest inhabitant."

There were from 30 to 40 yokes of oxen on the ground in course of the day, some of them prime animals, and for which from \$35 to \$50 were asked; we believe but few of them changed masters. There were some good cows shown, fat and in milk, and several sales effected. Horses of all sorts and varieties were on sale, and there seemed to be a considerable deal of trading in that class. There were very few sheep, and these not much worth. One lot of cattle from Ferguson, sold by auction, fetched better prices than ready money sales generally command. From the appearance of the animals exhibited, and the prices obtained, we should say the Fair was indicative of a growing prosperity among the agriculturists. The cattle were generally in good condition, and it was evident, from the rates at which they were held, that the owners were not compelled to sell to meet payments, but were merely desirous to get rid of surplus stock at a fair price. Notwithstanding the large number of persons present, we have not seen so few drunken persons as witnessed on little fighting on any previous similar occasion. It would seem we have got different notions of propriety from what prevailed in old times; for certainly the brutal fights which were at one time indulged in by the visitors at our fairs, and winked at, or indeed almost approved of by some of our magistrates, would not now be tolerated by rulers or people.

We have heard many complaints of the inconvenience attending the holding of the Fair on Mondays, more especially to the inhabitants of the more distant localities, who are prevented from bringing sheep and other stock to market, unless they choose to travel on the Sabbath. The Fair being held by Royal authority, we understand the proper course would be to memorialize the Governor in Council for an alteration. Perhaps Wednesday or Thursday would be the most convenient day.

**NEW WORK ON CANADA**—We have received the prospectus of a new publication by Mr. W. H. Smith, the Author of the *Canadian Gazetteer*.—"CANADA PAST, PRESENT, AND FUTURE: being a Geographical and Statistical Account of Canada West, exhibiting its Past History, Present Condition, and Future Prospects, its Resources and Capabilities." The work will be issued in Numbers at 1s. 3d., and in parts at 2s. 6d., each part, accompanied by a copper-plate map of one or more counties. The work is much wanted, is calculated to advantage the intending emigrant as well as the present inhabitant, and to promote generally the prosperity of the Province, by bringing into notice its comparatively little known, but immense Resources. We wish the enterprising Author every success in his undertaking.

**CORONER'S INQUESTS**—On Saturday last an Inquest was held by Dr. Orton, on the body of Mrs. Sarah Hower the wife of Mr. J. Hower, Painsch, who, on the preceding day, hanged herself in an unoccupied new building adjoining her residence, taking advantage of the temporary absence of her husband, who had gone to his Saw Mill a mile distant, and was only absent about an hour and a half, to perpetrate the dreadful act. It appeared that the deceased had been for some time subject to excessive despondency and loquacity of spirits, and that for the last three months, she had been afflicted with acute pain and other distressing sensations in the head. The Jury returned a verdict of "Temporary Insanity."

Some articles intended for this issue, we have been obliged to lay aside till next week.

**ELORA LIBRARY AND LITERARY ASSOCIATION**—The second Annual General Meeting of the Members of the above Association was held at the Elora Hotel, on Friday the 25th ult., when the President having read the Report of the Managing Committee, (which showed in a most gratifying manner the success which has attended the Institution from its formation) the undornamented gentleman were elected Office Bearers for the ensuing year: President—J. Finlayson, Esq., M. D. Librarian—Mr. John McLean Bell. Secy. & Treasurer—Mr. W. Newman. Committee—Messrs. Chas. Allan, sen., David Foote, E. H. Kerland, Alex. Jack, Wm Reid, C. Allan, jun., N. Molesworth, Andrew Gordon, Jas. Geddes, F. Marsh, George Watson, and Dr. Middleton.

Previous to the commencement of the business of the evening, Dr. Finlayson, addressed the audience on the prosperity, progress and prospects of the Association, and subsequently delivered an interesting Lecture on Chemistry, particularly treating on the nature and qualities of heat, which subject the Lecturer handled in such a manner as was evidently satisfactory to all present.—Communicated.

**MARKETS**. GUELPH, Nov. 5. At the "Guelph Mills"—Merchantable Wheat, 2s. 1d. to 3s. 3d. currency per bushel. Flour, 20s per barrel. GALT, Nov. 1. The price of Wheat at Galt Mills fell to 5s. 2d. York on Wednesday. This is the same price as was paid during the same week of last year, but the difference of the supply is astonishing. Last year, on the 25th of October, only 20 bushels of Wheat were sent into Mr. Thompson's Mill. This year, on the same day, the quantity delivered at the same Mill exceeded 1500 bushels.—Reporter.

**DUNDAS, Nov. 1**. Yesterday, the Millers again raised the price of Wheat to 5s. 9d. York. During the early part of the week they were only paying 5s. 6d., and only small transactions took place. For shipment, the Merchants are paying 5s. 9d. In other respects, quotations remain as last stated, with little or nothing doing in Flour, although there are large lots on hand.—Warder.

The Undersigned, availing himself of the opportunity, will at the same time solicit applications for Fire Insurance in the "County Mutual," now occupying so favorable a position, from the fact that no losses have been incurred by it for nearly two years.
