Flavor in Flakes

You may think you know what porridge tastes like; but you don't know what it should taste like unless you have tried Tillson's Rolled Oats.

We take the choicest oats grown in Canada and pan-dry them by our own exclusive process. In this way we retain every particle of the real oats flavor in Tillson's. Then to add to their deliciousness, we

roll them to filmy thinness without. breaking a flake. So thin and even are the unbroken Tillson's

flakes that you can cook them in 15 minute and you'll have a dish of porridge that's wonder fully appetizing and tasty.
