LINER ARRIVED SAFELY

By Courier Leased Wire

Rotterdam, Wednesday, April 10. —The Holland-American line steamer Nieuw Amsterdam from New York, has arrived off the Hook of Holland.

The Nieuw Amsterdam sailed from New York on March 28 with more than 2,000 passengers on board. Her clearance was the result of an arrangement with the Dutch Government some time previous, and it was understood that the German admiralty had granted her a safe conduct through the submarine zone.

SENTENCE SOCIALIST

By Courier Leased Wire

Minneapolis, April 12.—J. O. Bentall, erstwhile Socialist candidate for governor, was found guilty on two counts of violating the espionage act by a jury in federal court here to-day. He will be sentenced Friday. Bentall is now under one year sentence for obstructing the draft.

Rippling Rhymes

ODE TO APRIL.

Oh, April, we are tickled, to see you here once more! Old Winter's canned and pickled—good riddance to the bore! He hung around and blustered, with winds as sharp as mustard, until he had us flustered, and made our spirits sore. Now Winter's hit the ceiling, no more his snow he flings; and you have come with healing and solace in your wings; with ecstacy man greets you, he goes out doors to meet you, to odes like this he treats you, he chortles and he sings. Oh, April, you're a winner, with ribbons on your horns! You make the ancient sinner forget his aches and corns; you are the month that pleases, all other months seem cheeses; you bring us balmy breezes, and bright triumphant morns. The world, that seemed forsaken, you make as good as new; the little birds you waken, to sing a song or two; you clothe the plain with grasses and flowers in gaudy masses; you start the lads and lasses to spring sheeps' eyes and woo. 'Twixt winter time and summer you are the breathing place; oh, April, you're a hummer, a thing of charm and grace; between the cold that tires us, and summer heat that fries us, fair April stands and eyes us and socthes the human race.

SPRING IMPURITIES CLOG THE BLOOD

A Tonic Medicine is a Necessity at This Season.

Dr. Williams' Pink Pills for Pale People are an all-year-round tonic, blood-builder and nerve restorer. But they are especially valuable in the spring when the system is loaded with impurities as a result of the indoor life of the winter months. There is no other season of the year when the blood is so much in need of purifying and enriching, and every dose of these pills helps to make new, red blood. In the spring one feels weak and tired—Dr. Williams' Pink Pills give new strength. In the spring the appetite is often poor—Dr. Williams' Pink Pills develop the appetite, tone the stomach and aid weak digestion. It is in the spring that poisons in the blood find an outlet in disfiguring pimples, eruptions and boils—Dr. Williams' Pink Pills speedily clear the skin because they go to the root of the trouble in the blood. In the spring anaemia, rheumatism, neuralgia, erysipelas and many other troubles are most persistent because of poor, weak blood, and it is at this time, when all nature takes on new life, that the blood most seriously needs attention. Dr. Williams' Pink Pills actually renew and enrich the blood, and this new blood reaches every organ and every nerve in the body, bringing new health and new strength to weak, easily tired men, women and children. Here is a bit of proof: Miss Anna Patterson, R.F.D., No. 1, Thorold, Ont., says: "My trouble was one of general weakness, which thinned my blood and gave me at times unbearable headaches, loss of appetite and also loss in weight. I tried several medicines, but without success. Then I heard of Dr. Williams' Pink Pills and decided to give them a fair trial. The result is that I feel like a new person. My appetite improved, I gained in weight, my blood is thoroughly purified, and my face cleared of some unsightly pimples which had troubled me. If one good turn deserves another then I have much pleasure in recommending Dr. Williams' Pink Pills."

If you need a medicine this spring try Dr. Williams' Pink Pills—they will not disappoint you. These pills are sold by all medicine dealers, or you can get them by mail at 50c a box or six boxes for $2.50. from The Dr. Williams Medicine Co., Brockville, Ont.

AUSTRALIAN MONUMENT.

(Associated Press).

Cairo, April 12.—Three designs have been received for the Australian monument to be erected on the banks of the Suez Canal. Two of the designs are the work of Australians and one of an Italian. By the terms of the competition the monument is to represent an Australian mounted trooper, and is to be placed opposite the De Lesseps statue at Port Said.

ITALIAN OFFICIAL

April 12.—"Slight artillery and patrol activity is reported along the whole front," says to-day's official statement. "Our batteries engaged enemy troops at the outlet of the Lorenzo valley and in the region of Gareda valley. Hostile troops in movement northeast of Cavazuccherina also were shelled effectively. In the Asiago Basin we took a few prisoners."

STRIKES MADE ILLEGAL.

Washington, April 11.—The conference report on the bill providing severe penalties for destruction of or interference with production of essential war materials, containing the clause giving workmen the right to strike for better wages or working conditions, was ejected to-day by the Senate, 34 to 25.

While the Senate was ejecting the much-discussed provision, President Gompers of the American Federation of Labor, speaking before the National Conference of American Lecturers, was denouncing the proposal to prohibit strikes and walkouts.

"As a patriotic American citizen," declared Mr. Gompers, "I serve warning on Congress not to permit the deviltry and folly of such a law. It will serve only to make strikers law-breakers as well. Nothing will do more to create resentment than to make it unlawful for men to stop work."

SOLDIER POISONED.

By Courier Leased Wire

Quebec, April 11.—Falling into a sudden state of unconsciousness Saturday last while on picket duty at the Union Station in this city, Private Allan Farrell of an Ontario unit, died Monday evening without regaining consciousness.

Coroner Jolicoeur held an inquest yesterday evening, hearing the officer commanding his unit here, also five military doctors, who attended him. An open verdict of death through poisoning was returned.

It was at first thought Farrell had died from absorbing methylated spirits, but the doctors agreed that there was no trace of the poison in the dead soldier's body. The deepest mystery enshrouds his death.
