twenty-four hours to get them back, get "No difficu the cash, or hand in his resignation.

slowness with which goods were handled, and it was his opinion that the shipping "I suppose I'll have to forgive you as clerk would be looking a new job inside usual."

new cook's breakfast. Binks paid promptly.

If we are to have drunkards in the future, some of them are to come from the boys to whom I am now writing, and I ask you if you want to become one of them? No, of course you don't! Well, I have a plan that is just as sure to save you from such a fate as the sun is to rise to-morrow. It never failed, it never will fail, and it is worth knowing.

Never touch liquor in any form. That is the plan and is worth putting into practice. I know you don't drink now, and it seems to you as if you never would. But your temptation will come, and it gives, which prevents them from affecting the others. will probably come in this way. You will find yourself sometime with a number of companions and they will have a Bonchitis. Sold by Geo. V. Rand, bottle of wine on the table. They will druggist.

drink and offer it to you. They will regard it as a manly practice, and very likely they will look upon you as a milk-sop if you don't indulge with them.

yourself.

Some people, when they pray in public, push every window in heaven shut to begin with.

The devil has never been able to break up the man who had God for his partner in business.

The man whose income is from the devil has to ask his master what he shall

Reclaiming Worn-out Land.

The only safe way to make farming profitable is to c profitable is to constantly increase the productiveness of the land. Those who desire for something better, has already begun to be a devil. some part of the farm itself has been sold Production carries with it part of the original capital. Unless this is restored crops decrease, until finally they do not ops accrease, until finally they do not ly cost of cultivation, and the farm is ly saved from being wholly abandoned d. D. 1810. at the expense of his conscience will find pay cost of cultivation, and the farm The man who finds the most fault by being left to grow grass. Under this with the preacher is the one who does the least to support him. fertility until the sod will produce one at a loss." The Christian who is continually doing great things for his God is the one who is faithful in little things.

Going into eternity without knowing Jesus Christ is to leave this world with your back towards heaven.

The man who owns a railroad never gets half as much joy out of it as the one who travels on a free pass.

God of the one who is or two more cultivated crops. As soon as possible on such land get a growth of clover, and the first crop thus got had better be plowed under, as it is impossible to make the first crop grown thus, pay for cultivation otherwise. By the time the land has been thoroughly cultivated one year it should be seeded with they were in your place.

The This even may be cultivated one who is or two more cultivated crops. As soon as possible on such land get a growth of the ailments peculiar to your sex give by will not fail you. Sold by all dealts.

Your friends may not know much, better the land has been thoroughly cultivated one year it should be seeded with they were in your place. The devil don't care how much religion people get it they wait until they go away from home to practice it. This crop may be cut If you want people to believe what you can be bought to grow clover again. can be bought to grow clover again. It is natural fartility mainly by use of clover. But land that was never ich immeral piant food will not be productive work and goes at whittling because some-body tells him the sun has spots on it.

The man who doesn't love his brother on the other side of the earth doesn't that was originally good.

Think of This, Workingmen.

A correspondent of John Swinton paper, the organ of the labor unions, calls attention to the claim of the brewers the with.

If you want your boy to love you, and says: "Think of this, workingmen! the back yard while a brass band is passing the ing food, rotting grain, etc., turning if into poison that makes men fiends, wive widows, chi'dren orphans, the industri are willing to do anything for the Lord lazy, the intelligent numbskulls, and send women and children to work in place of men, thus filling the land with tramps and loafers for the worker to suppor

"If it is true that every person that produces nothing beneficial to society is no better than a pauper, then all labor employed making, handling, or selling long as there are people in the church such drinks, is labor wasted, and per

"The brewers, distillers, liquor, win from the pit and claim that he got there and beer dealers, are among the worst enemies of workingmen; the temperand people are friends. The former ro them of their health, happiness and life to the devil to give some folks a little the latter want to see every man, woman money, and then make it almost kill and child well housed, clothed and fed The objects of temperance are the abolition of poverty, crime, disease and pre

Racing With Wolves

Many a thrilling tale has been told by travelers of a race with wolves across the frozen steppes of Russia. Sometimes only the picked bones of the hapless traveler the picked bones of the hapless travelers are found to tell the tale. In our own stand bow to cook his favorite dishes. country thousands are engaged in a lifecountry thousands are engaged in a life and death struggle against the wolf Consequently the great merchant grumble do over his breakfast and was in an ugly mood when he reached his office.

The junior partner came into the private office and the great merchant immediately wanted to know how he came to let Binks in Aurora have the last bill of goods on time when everyone in town knew that he was going to fail.

The junior partner wasn't feeling para-
