#### Wheat Yield at Raymond

Raymond, Nov. 25.—Raymond can produce other things besides sugar beets. Already this season 80,000 bushels of wheat have been marketed for which the farmers received \$53,000. The yield averaged 35 to 40 bushels per acre, ! Ellison Milling Co. expect to have day by a vote of 97 to 91. increased this fall so much that the company found it necessary to secure additional outside and office help.

#### Some Local Testimonials

(Claresholm Review)

1. FROM CARDSTON, ALTA.

"At the time Local Option was voted on here I was apposed to lit, thinking it would retard the growth of the town and would lesthe people and store-keepers are these words: many thousand dollars to the good. "I and my colleagues have giv- deavors to the advancement of as soon as development work opens There is not one-tenth of the en the railway question a great this project." liquor sold that there was when we had license, and the people here will never stand for a license."

Mark Spencer, Mayor.

2. FROM RAYMOND, ALTA.

"I am happy to report that local ption is working very satisfactorily in Raymond where it has been in force over six years and so satisfied are our citizens with it that no vote has been brought on to repeal the act."

### Sudden Death at Magrath

Magrath, Alta., November 20th. -A particularly sad death occurred here this morning about o'clock when Mrs. Nephi Harker passed away. Deceased had only been married one month when her husband was called away to perform a mission for the Church of Latter Day Saints in the Northern States. He had not been released when the death of his wife occurred. A telegram has been sent to him and it is expected that he will be able to return in time for the funeral. The late Mrs. Harker had been taken ill last Monday night, but nothing serious was anticipated. On Thursday evening the disease suddenly took a dangerous turn and the climax came this morning. The sympathy of the whole community goes out to the bereaved husband and his wife's relatives.
