CUPID BUSY IN LEAFY JUNE

Many Are Wed During the Inspiring Month of Bloom

A very pretty wedding took place at the home of Mr. and Mrs. G. Burton Nixon at Somerville on Thursday, June 19, when their eldest daughter, Nelle Lavinia, was united in marriage to Fenton Plummer Foster, eldest son of Fred W. Foster of Port Fairfield. The bride looked charming, attired in a beautiful gown of ivory satin and georgette, wearing a bridal veil and carrying a bouquet of lilies of the valley, pink rose buds and fern. The bridal party entered the parlor at 3:30 p.m., the bride leaning on the arm of her father, to the strains of a wedding march played by Miss Kathleen Kennedy. They took their stand under a canopy of white ribbon and pink roses with a back ground of maple leaves. The groom was supported by Raymond Plummer. Miss Madeline Smith attended the bride. Miss Hilda Wilson sang "Because" as a solo. The ceremony was performed by Rev. F. J. Trafton after which a quartette composed of Miss Hilda Wilson, Miss Dorothy Trafton, Frank Nixon and Carvell Foster sang "Perfect Love." More than 150 guests were in attendance. After congratulations a dainty lunch was served. The young couple left by auto on a tour to Portage Lake. They will make their future home at Maple Grove, Me. The large array of costly and useful presents testified the high esteem in which the young couple are held.

The home of Mr. and Mrs. Havelock Anderson at Dover, Me., was the scene of a very pretty wedding on June 4 when their daughter Edna A. was united in marriage to Colin E. Bolton of Vancouver. Only the nearest relatives were present. The bride looked charming in white silk trimmed with handmade French lace. The groom was attired in military uniform, he having served three and a half years with the famous Canadian Engineers in France. The bride was attended by the bride's sister, Mrs. L. Kinney of Brownville Junction, after which lunch was served. There were numerous handsome and costly presents.

Mr. and Mrs. Bolton left for a weeks trip after which they expect to remain in Dover for this season, when they will go to their home in Vancouver. The contracting parties are all natives of Carleton county.

On Tuesday at the home of Mrs. Bert Scovill of Beaufort her daughter, Clara Bell, was united in marriage to Claude Brooks, in the presence of a large number of friends. The double ring service was used and was performed by Rev. N. Franchette. The bride was becomingly attired in white georgette, with veil, and carried a bouquet of roses. She was attended by Miss Gussie Brooks, while G. P. Nichols was best man. After the ceremony the young couple left on a honeymoon trip to Toronto, and upon their return will make their home at DeWitt Ridge. The bride was the recipient of many handsome presents. Mrs. Brooks is a graduate nurse from Fisher Memorial Hospital.

At the United Baptist parsonage yesterday, by Rev. E. A. Triton, Miss Della Caldwell, only daughter of Mr. and Mrs. George Caldwell of Middle Simonds, was united in marriage with Lawrie

Glass of Hartland. The young couple are very popular and have the good wishes of a host of friends.

At high noon, at the Reformed Baptist parsonage, Hartland, Wednesday June 25th a pretty marriage was solemnized by Rev. P. J. Trafton, between Harry R. Williams of Hodgdon, Maine, and Miss Mary Green of Simonds. A few close friends of the bride were present. The happy couple left by auto for a trip to Grand Lake after which they will reside at Hodgdon.

GOOD BASE BALL PROMISED

Following their defeat at Grand Falls, the Hartland team got together last evening and decided that they would make an effort to establish their name. Games have been arranged for the next week and it is hoped that the local team will have games twice a week throughout the remainder of the season. Tomorrow Hartland will play Bath at Bath, and on Dominion Day Centerville will play Hartland here. On Friday, July 4, Bath will come here for a return match. Other games are to be announced at a later date.

The people of the villages will be glad to know that the everyday humdrum of existence is going to be enlivened by some really good base ball.

Lieut. George B. Wooten

Lieut. George B. Wooten of Andover is among those who landed from the Esquiboer hospital ship at Portland. He enlisted with the 140th Battalion in 1916 and went overseas with a draft of officers in September of the same year. He was transferred to the R. A. F. and was very badly wounded. For a time he was reported killed. He is a son of Mr. and Mrs. N. J. Wooten of Andover, who went to Portland to meet him.

PERFECT MONTH NOW ENDING

Practically No Rain But Crops Are Not Yet Taking Damage

The month just ending will go into local interest as one of the most perfect June months within the memory of man. There has been but one day that the sun was not visible and very few even partly cloudy days. A rain at the first of the month gave the earth a good soaking and prepared it for a sustained period of dry weather, but more rain is much needed right away, as another week of dry weather will bring damage to the crops. There was some frost on the 23rd but the damage from it was confined to a few localities of low ground back from the river. Yesterday was the hottest day. The Observer's thermometer registering 91 degrees under cover. The month has had more hot days than last summer and the summer before together.

Hay which promised heavy yield is likely to be short for want of rain. During the last two seasons, however, there were record crops of this product, so an off year might well be expected. There is prospect of an abundant yield of apples.

Reports from the Agricultural Department at Fredericton indicate that potatoes are doing finely everywhere except in Madawaska and Victoria where the flea beetle is making ravages.

Specific for Bronchitis

The turpentine used in Dr. Chase's Syrup of Licorice and Turpentine is not the ordinary commercial article, which is little used because of the unpleasantness of taste, but is specially extracted from tamarac and spruce gum and so combined with other valuable ingredients as to be at the same time pleasant to use and wonderfully effective in the cure of affections of the throat, bronchial tubes and lungs.

1920 FORD Touring Cars

With starter \$900

Without starter \$790

Delivered freight and war tax paid

Ford touring cars have been very scarce this year and these cars will go very fast. Call and see them and get your order in early.

The first carload has arrived at Fredericton. Next carload due at Woodstock June 21 and 23. Florenceville carload due about June 28.
