"Good" Loaf | "Poor" Loaf
"Happy" Cook | "Unhappy" Cook
BOTH DUE TO THE FLOUR CHOSEN

The "unhappy" cook chose a flour which had the strength of its "gluten elements destroyed by the electrical bleaching process" and therefore couldn't "rise to the occasion." Result: "Wretched" loaf.

The "happy" cook chose "North West Gem" flour, which is made of the highest quality Manitoba No. 1 Hard Wheat. It is not "purified" by "electricity." Each wheat berry is thoroughly "washed" and "cleaned" by a special "new" process of our own and used in no other mill. Result: A flour which makes the lightest, whitest, tastiest, most wholesome loaf.

Ask your dealer for "North West Gem." Accept no substitute, because there is no flour milled that will make such "good" loaves.

HUNTING THOMAS

Tom's hunt for the missing animal was a long and arduous one. He had been hunting for the animal for some time, and had been unsuccessful in his efforts. He was now in a desperate state, and was determined to find the animal at all costs.

WOMEN'S WOES.

Newcastle Women are Finding Relief at Last.

It is a well-known fact that women have more to suffer from the effects of the cold and flu than men. They are more susceptible to the disease, and the effects are more severe. They are also more likely to suffer from complications, and the recovery is more prolonged.

STATISTICS IN MEDICINE.

OLD REMEDIES RETAIN THEIR POPULARITY.

Investigations of French Physicians Show That Large Production of Synthetic Medicines is Not Crowding Out the Old Favorites.

A late despatch from Paris says—Prof. Grubert presented a notable paper before the Academy of Medicine on the apertic tendencies in the last ten years. Basing his figures on medicines furnished to 219 large asylums and hospitals by the State Pharmacy, he finds that the old-fashioned medicines retain their popularity.

An expert authority on being interviewed states that the tendencies of the medical profession in Canada are along exactly the same lines. He gives the old-fashioned vegetable mixture as the safest and best treatment for all stomach and liver troubles, constipation, disorder of the kidneys and bladder, and states that many of the leading physicians use these ingredients in some form, often by some fancy and expensive name.

Fluid Extract Cascara 1-2 oz.
Syrup Rhabarb 1 oz.
Carriana Compound 1 oz.
Compound Syrup Sarsaparilla 5 oz.
Take one teaspoonful after each meal and at bedtime.

This acts in a pleasant way, and is free from the bad effects of strong purgatives and synthetics.

We advise all our readers to cut this valuable formula out and use it. Any druggist can supply these ingredients at a small expense. You can mix them at home if you prefer.

POINTED PARAGRAPHS
In the difficulties we face we must rely on ourselves.

The lights of the world are seldom burning to light.

No man is behind by anything other than his own fault.

The empty head is a poor thing with which to fight the world.

He who always gets what he desires rarely desires what he has.

Wagging the tail does not hasten progress along the road.

A man's moaning and groaning has little meaning if he has no means.

Only the working horse either to fight his thoughts or to follow them.

Of all the devil's disguises the worst is that which looks like love.

The honesty of our crime for justice is seen in our attitude to the helpless.

Never is truth more eloquent than when it is sure it can afford to be silent.

WANTED BY GRACE on salary and expenses. One good man in each locality with right capable of handling horses to advertise and introduce our guaranteed Royal Purple Stock and Poultry Specimens. Synopsis of Canadian Northwest Land Regulations.
Any person who is the sole head of a family or any male over 18 years old, may homestead a quarter-section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties. Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter-section alongside his homestead. Price \$100 per acre. Duties. Must reside six months in each of six years from date of homestead entry (including the time required to earn homestead patent) and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot obtain a pre-emption may take a purchased homestead in certain districts. Price \$100 per acre. Duties. Must reside six months in each of three years, cultivate fifty acres and erect a house worth \$200.00.
