TOWN COUNCIL.

Regular Monthly Business Meeting Held

TUESDAY EVENING.

Tenders for New Electric Plant Awarded. Other Business.

The regular monthly meeting of the Newcastle Town Council was held on Tuesday evening, March 9, at 8 o'clock in the Town Hall.

His Honor Mr. J. H. McKinnon, Mayor, presided.

The minutes of the last meeting were read and approved. The Mayor reported that the Town Council had received a letter from the Newcastle Electric Light and Power Company, asking for tenders for a new electric plant.

The Mayor stated that the Council had decided to accept the tender of the Newcastle Electric Light and Power Company.

The Council then proceeded to the business of the evening, and the Mayor announced that the Council had decided to accept the tender of the Newcastle Electric Light and Power Company.

CAMPBELLTON

Local and Personal News.

Special to the Advocate.

Cambridge, March 7th.—The chief topic of discussion at the proposed steamship service between Campbellton and the mainland, which is now almost a settled fact. The service has of late years been continued to the mainland, as the steamers on the route could not possibly come to Campbellton.

The unsatisfactory service prompted the residents of the coast and the people of Campbellton to organize a joint stock company with the result that the company sent a representative, Mr. F. S. Blair, to the meeting at the Hotel Victoria, where the proposed service was discussed.

The meeting was held on Tuesday evening, and the proposed service was discussed in detail. The company proposed to run a steamship service between Campbellton and the mainland, with a view to the improvement of the route.
