R. A. SQUIRE,
Colonial Secretary,
Dept. of the Colonial Secretary,

**Successful Fourth Day ---
Grand Total Donations
\$69,331.95.**

The Maternity Hospital drive is going along with a swing. The response is splendid and team workers everywhere else actually engaged in work are confident that the objective will be reached by the closing of the year. The total yesterday reached a magnificent sum of \$69,331.95. It was even better than anticipated, and naturally everyone was delighted. The plans are working out splendidly, and if the work continues at the same rate the balance of the time the \$100,000 will most likely be raised. Every day is as keen as can be and will carry on until Monday next, when the Department of Shipping will have reached. System counts for much, and Mr. Dunbar has an excellent system, and he is assisted in his efforts by a competent band of willing workers. They are all working for the same objective, and St. John's will owe them a debt of gratitude for their efforts. The Hon. M. G. Winter was in the chair promptly at 9 last night and conducted the evening's program with a hit. He announced the following initial gifts: Geo. Hawes, \$100; W. Thompson, \$250; Mrs. W. Thompson, \$200; Archibald Bros., \$100; John Lewis, Holyrood, \$500; Fred Woodman, New Harbor, \$100; W. A. Long, Catalina, \$200. Large amounts announced by the workers, were: Horwood & Co., \$150; Lady Bowring, \$100; Hudson's Bay Co., \$100; Mrs. McKell, \$100; Mrs. H. D. Carr, \$100; W. E. Beames (2nd don.), \$100; Elliott & Co., \$200; Tibbo & Co., \$200; Soper & Moore, \$100; W. Withers, \$100; Mrs. R. G. Winter, \$100; F. W. Lake, Grand Falls, \$100. Mr. Winter paid a glowing tribute to Mr. Hawes whose gift was expected, and the audience showed appreciation by rising and giving three cheers. To-day, Friday, announces the "free for all," when persons may discard their cards and rush whom they please, whether have given or not. Last night the banquet was on a house to house canvass was commenced by a new and separate organization under the direction of Mr. W. H. Cave. The organization is composed chiefly of St. John's, who are employed by the day, and have volunteered their spare time for the raising of money for the week on this house to house work. The motto is, "When the door bell rings, let it give the workers a cordial reception and a generous gift." These people who are willing to

work in the cold and on dark nights after a long day in a shop or factory are deserving of praise. The party last night numbered about a hundred and met with success. Because of the busy season and the fact that it will be impossible to secure a full attendance at the banquet on Saturday night, it has been wisely decided by the committee of management to have the grand final rally on Monday evening next. It will commence at 7 and promises to be the most enthusiastic banquet yet held. Saturday will be Tag Day, when another separate force of from 50 to 100 Salvationists, under the direction of Mrs. Col. Adby, will be on the street all day. There are many spare coins in the city. Tag Days here have always been successful, and it goes without saying that to-morrow's will equal any of the past. Mrs. Adby wants everyone, man, woman and child resident in St. John's and visitors, too, to be her friends on Saturday. Many of our people have already contributed magnificently, but they will not refuse to be tagged on that score we feel confident. It will be learned with pleasure that there is great activity in industrial circles. The various superintendents and foremen are all busy. The President of the Reid Mfg. Co. reported to Mr. Dunbar yesterday that the superintendents there were organizing every department. St. John's and the outposts, as well, is rising nobly to the occasion. It will contribute there is no doubt but that St. John's will have an institution of which all may be proud.

Wedding Bells.

HUNT-TULK.

A very pretty wedding was solemnized at the O. E. Cathedral, Wednesday afternoon at 4 o'clock, by the Rev. J. Brinton, the contracting parties being Miss Maggie Hunt, daughter of Mr. and Mrs. Wm. Hunt, of Greenspond, to Mr. Benjamin Tulk, of this city, but formerly of Newtown, B.B. The bride was handsomely attired in a gown of white crepe de chene and georgette crepe, trimmed with pearls with bridal veil and orange blossoms, and carried a bouquet of carnations and maiden hair fern. The bride entered the church leaning on the arm of her uncle, Mr. Henry Hunt, while Mr. E. Lucas supported the groom, the chief bridesmaid being Miss Mary Hunt, sister of the bride, who was dressed in lemon silk; Mrs. Marshall and Miss Bertha Tulk, sisters of the groom, were dressed in pink silk, each carrying a bouquet of flowers. After the ceremony the wedded couple motored around Bowring Park and then to the home of Mrs. Keable, 75 Pleasant Street, where the reception was held. A most enjoyable evening was spent, the music being played by Miss Catherine G. Lucas. The groom's present to the bride was a set of white furs, and to the bridesmaids gold pendants. The bride was the recipient of many valuable presents, including a silver tea service from her co-workers at Messrs. Ayre & Sons, Ltd., where the bride was formerly employed. Their many friends wish Mr. and Mrs. Tulk many years of wedded happiness.

Don't forget Dec. 17th. The Ladies' Auxiliary of St. Andrew's Society will hold a Sale of Work on that date, and have lots of suitable Christmas Gifts to offer you. Full particulars later.—dec31
