Margin Trading!

The great advantage of an account on margin is this: You can control at least three times as many shares of the stock you desire, as is possible by buying outright, and you thus have the opportunity of netting considerable profit on any advance in the value of the shares.

Take McKinley-Darragh for example. \$20 buys outright about 33 shares or which the yield is approximately 20 per cent., but on margin, \$20 controls 100 shares on which the income yield is 60 per cent.—and all from a 12 per cent. stock.

We are fully equipped to execute your orders on any stock or bond listed in New York.

Monogram Lubricating Oil

This is the oil Ralph DePalma used in his Packard super-speedster when he broke all world records for motor driving. It may be a little dearer than other oils but it pays in the long run to lubricate your car with good oil. We have only 100 gallons in five gallon tins, so get one now and be one of the lucky ones.

If you have an old tire or tube needing repairs bring it in and see how soon we will return it, repaired as it should be repaired. We stock Goodrich and Dominion Tires and Tubes.

Open to 9 o'clock every night, Sunday morning and afternoon. Tires pumped free of charge. Gasoline for sale.

One thing essential in your Winter Coat is QUALITY. One has to wear their Winter Coat for many months, and to stand against this you require the best of material in it.

We have carefully selected our stock of Winter Coatings and feel we have goods that merit your approval. You can purchase enough excellent material to make a coat for \$24.00, and if you wish we can make it up for you, and deliver the finished garment in a week or less if necessary. The material is equal in quality to that in coats which retail at \$70.00 to \$90.00.

We ask you to come in and see the goods, examine them, get samples and prices, compare with others, and come back and purchase the goods.
