STEWART'S Home Made Bread, THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number lords of creation who believes that woman's place is in the home—and only there. His taste in a wife is an up-to-date woman who will prove herself a real companion. He knows that if she is a slave to her kitchen she can't enjoy the poise or have the interest in world affairs that a little extra leisure would make possible; and so he is pleased to eat MRS. STEWART'S HOME MADE BREAD—the loaf with the home made flavor.
The smiling, well-nourished kiddie doesn't look as though suffering because mother is progressive enough to buy good bread made by a bread specialist, instead of wearing out her life in the kitchen.

T. McMURDO & CO., Ltd.,

THE PIONEER DRUG HOUSE.
Established 1823. Incorporated 1920.

In re-organizing our business at the beginning of last year when times seemed prosperous, somewhat drastic changes were made in credit terms to our customers in the belief that it would ultimately prove to be for their benefit as well as our own.
Results to-day have proved our forecast to be correct, and as a consequence we are now in a better position than ever to serve our friends to advantage with a new and up-to-date stock.

From being pessimists in apparently good times we are now optimists when many think there is nothing but "blue ruin" ahead; and in consequence we are now prepared to entertain extending longer credit than is indicated by our general terms, where desired, to approved wholesale customers.

We have the necessary Stock and Capital to do a much larger business. We are desirous of keeping our present staff on at suitable wages, necessitated by higher cost of living, and to do this an increase in trade is hoped for. This we anticipate getting by efficiency of service, combined with the high grade goods we carry and sell at lowest possible prices.
