Guelph Evening Mercury

SATURDAY EVENING, DEC. 14, 1872

Town and County News.

ANNIVERSARY SERMONS.—Remember the Anniversary Sermons in Chalmers' Church, to-morrow. Rev. Wm. Inglis, of Toronto, will preach in the forenoon, and Rev. J. B. Muir, of Galt, in the evening. Collections will be taken up at each service, in aid of the building fund.

EAST WARD.—Mr. William Allan requests us to state that he has positively made up his mind not to run for Councilor or for any municipal office whatever. He also takes this opportunity of returning his sincere thanks to the electors of the East Ward for the support they have given him in the past.

THE MARKET BY-LAW.—We publish, to-day another letter from a farmer, in reference to the clauses regulating the sale of cordwood. We have not room for any remarks on the subject to-day, but commend the letter to the careful consideration of the members of the Town Council and the ratepayers generally.

PRIMITIVE METHODIST CHURCH.—Missionary sermons in connection with this body will be preached to-morrow afternoon, at half-past two o'clock, by Rev. A. Heyworth, of Hawkesville, and also in the evening at the usual hour by the same reverend gentleman. On Tuesday evening, the 17th inst., the annual Missionary Meeting will be held in the Church, when an interesting address will be given by Rev. Messrs. Heyworth, Middleton and others.

GOOD TEMPLARS' ENTERTAINMENT.—We would remind our readers of the Good Templars' entertainment this evening. These reunions are very interesting, and while they amuse they also serve to instruct. The programme for to-night is excellent. There is plenty of singing, some instrumental music, recitations, readings, and dialogues. Young people cannot spend a Saturday night more profitably than by going to this entertainment.

RAILWAY MEETING.—A very large and influential meeting of gentlemen interested in the construction of the proposed railway from Brantford to Port Burwell, passing through Burford, Norwich, Tilsonburg, and Vienna, and connecting at Brantford with the Credit Valley Railway, met on Friday at the Kerby House, Brantford, and took the preliminary steps to carry the scheme forward to a successful issue.

CRIME IN MONTREAL.—Crime seems to have taken a fresh start in Montreal. No particular reason can be given, beyond the fact that men think drinking whiskey in unlimited quantities tends to raise the temperature. The Recorder does not see it in that light, and every morning sentences a two-begone collection of drunks to heavy fines and imprisonments. Then a man named Burke tried to keep cows on an economical principle. They were not fed or watered for five
