

TIRED AND LANGUID.

The Experience of an Estimable Young Lady.

HER BLOOD WAS POOR AND WATERY—SUFFERED FROM SICK HEADACHES AND FAINTING SPELLS—HOW SHE REGAINED HEALTH'S BLOOD.

On one of the finest farms in Wolford township, Grenville county, resides Mr. and Mrs. Alongo Smith and family. Mr. Smith is perhaps one of the best known men in the county, as in addition to being a practical farmer he represents several agricultural implement companies. His family consists of two estimable daughters, the eldest being seventeen years of age. To a correspondent of the Brockville Recorder who recently called on Mr. Smith, Miss Minnie E. Smith, the eldest daughter, related the following story:—"About two years ago I was taken quite ill. I became pale and languid, and if I undertook to do any work about the house, would easily become terribly fatigued. I became subject to terrible sick headaches, and my stomach became so weak that I loathed food. My trouble was further aggravated by weak spells, and my feet, winter and summer, were as cold as ice, in fact it seemed as if there was no feeling in them. I tried several kinds of medicine, but instead of helping me I was growing weaker. One day in March, 1898, my father brought home a box of Dr. Williams' Pink Pills. I immediately discontinued the other medicine and began taking the pills. I found that they helped me, and four boxes were procured and by the time I had finished them I was entirely well. I have never had better health in my life than I am now enjoying. My appetite is now always good, and I have increased in weight. All this is due to the efficacy of Dr. Williams' Pink Pills, and I would advise any other young girl troubled as I was to use them, and they will certainly cure if the directions are followed.

The facts above related are important to parents, as there are many young girls just budding into womanhood whose condition is, to say the least, more critical than their parents imagine. Their complexion is pale and waxy in appearance, troubled with heart palpitation, headaches, shortness of breath on the slightest exercise, faintness and other distressing symptoms which invariably lead to a premature grave unless prompt steps are taken to bring about natural condition of health. In this emergency no remedy yet discovered can supply the place of Dr. Williams' Pink Pills, which build anew the blood, strengthen the nerves and restore the glow of health to pale and sallow cheeks. They are a sure cure for all troubles peculiar to the female system, young or old, these pills also cure such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus dance, nervous headache, nervous prostration, and after effects of la grippe, influenza and severe colds, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc. Do not be persuaded to accept any imitation, no matter what the dealer may say who offers it. Imitations never cured any one. See that the full name Dr. Williams' Pink Pills for Pale People is on the wrapper around every box you buy.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams of Manchester Mich. tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by all druggists.

DOMINION PARLIAMENT.

The House of Commons Put in Another Week Debating the Address—Two Amendments.

Ottawa, April 15.—The debate on the address in reply to the speech from the throne has monopolized nearly all the time of the House during the week just closed. A few private bills were read a first and second time, and a few questions, usually pertinent to members only, were asked and answered. One of the features of the week of long speeches is a notice of motion by Mr. Charlton for the purpose of restricting the limits of debate. He would have a special committee appointed to consider the whole question.

On Monday the Minister of Customs, Mr. Paterson, resumed the debate on the address in reply, and was followed on the same day by Mr. Bergeron and Mr. Desmarais. On Tuesday five speeches made up the bill of fare for the day, and the speakers were Messrs. Macdonald (P. E. L.), Macdonald (Huron), Wilson (Lennox), Gauvreau (Témiscouata), and Lefebvre (Maskinonge). Three speakers held the fort on Wednesday, viz.: Messrs. McDougall, McLennan and Frost. On Thursday the big guns again came into the debate. Hon. Sidney Fisher, Minister of Agriculture, opened for the day, and he was followed by Mr. E. P. Carleton (West Toronto) who moved as he sat down the following amendment: "That this House deems it expedient to inform His Excellency that, in view of the widespread charges of incompetency, misconduct and corruption in the administration of public affairs connected with the Yukon, it is the duty of Government to appoint an independent judicial commission to make a thorough investigation into the subject and report the result." Mr. Bertram (Centre Toronto) followed and moved in amendment to the amendment as follows: "That all the words after His Excellency be struck out of the amendment and the following inserted: That we have observed with pleasure that on the receipt of complaints against some of the officials in the Yukon district His Excellency's Government took prompt action to enquire into the matter of such complaints, and have appointed Mr. William Ogilvie as commissioner for the purpose. Having entire confidence in the integrity of Mr. Ogilvie, we are satisfied that his enquiry will be impartial and thorough, and will place His Excellency's advisers in possession of such information as is necessary to enable them to do just to all parties concerned." Mr. Bell (Picton) closed the debate for the day. On Friday the debate was continued by Mr. James Sutherland, Sir Charles Tupper, Sir Lorn Davies and Mr. Foster. At 11:30 the House adjourned till Monday at 8 o'clock.

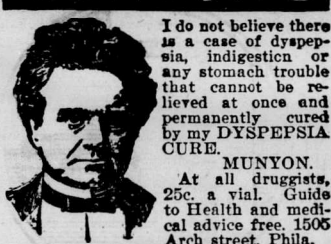

THE SENATE.

A CHATHAM LADY

Tells How Her Health Came Back.

There are too many women who suffer dreadful backaches, pain in the side and headaches, who are weak, nervous and run down, whose life, energy and animation seem gone. Here's a lady who was cured by

MILBURN'S HEART AND NERVE PILLS.

Mrs. Mary Borden, King St., Chatham, Ont., says: "For some months I have been afflicted with nervousness and general debility. Going upstairs would produce a great shortness of breath and a tired, exhausted feeling. I had palpitation and fluttering of the heart, and for months have not been well or strong. Until I took Milburn's Heart and Nerve Pills, I almost despaired of a cure. I have only taken one full box, and now feel splendid."

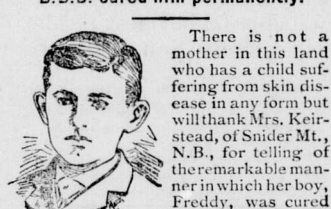

My nerves are strong, all the heart troubles are completely removed, the shortness of breath has vanished, and the constant tired out, all gone feeling is a thing of the past. It is needless to say that I esteem this remedy the best in the world for heart and nerve troubles."

Milburn's Heart and Nerve Pills are 50c. a box or 3 for \$1.25, at all druggists.

LEGS ENTIRELY RAW

From his feet to his body, and ran a blood tinged, irritating water.

Mrs. A. Keirstead, Snider Mt., N.B., tells how her little boy suffered, and how B.B.B. cured him permanently.

There is not a mother in this land who has a child suffering from skin disease in any form but will thank Mrs. Keirstead, of Snider Mt., N.B., for telling of the remarkable manner in which her boy, Freddy, was cured of one of the severest and most torturing of skin diseases by the use of Burdock Blood Bitters; and not only relieved and cured for the time being, but mark you, after eight years the disease has shown no sign of returning. The following is Mrs. Keirstead's letter:—

"With gratitude I can testify to the wonderful curative powers of Burdock Blood Bitters. Eight years ago our little son, Freddy, was afflicted with skin rheum and was in a dreadful condition. His legs, from the soles of his feet to his body, were entirely raw, and ran a bloody water, which appeared to burn and itch until he was often in great agony."

"After trying several remedies, we resolved to give B.B.B. a trial."

"You can imagine with what delight and gratitude we saw our boy entirely cured after using one bottle and part of the second. We gave him the remainder of the second bottle, and from that time till the present he has never had a sign of skin rheum or a skin day. You need not wonder that I think there is no other medicine can equal Burdock Blood Bitters to purify the blood and build up the health and strength."
